Explanation of Responses:

- These shares were sold upon the vesting of performance stock units to pay tax withholding obligations. The sale was to satisfy tax withholding obligations to be funded by a "sell to cover" transaction and does not represent a discretionary transaction.
- As a result of the administrative error in reporting the number of shares sold in the sell to cover transactions on February 26, 2024, the number of shares reported as beneficially owned in this amendment reflects an increase in the number of shares reported as beneficially owned in the original Form 4.

Remarks:
