Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On March 28, 2011, CryoLife, Inc. ("CryoLife" or the "Company") entered into an Agreement and Plan of Merger (the "Merger Agreement") with CL Falcon, Inc., a wholly-owned subsidiary of CryoLife ("CL Falcon"), and Cardiogenesis Corporation ("Cardiogenesis"). The press release issued by CryoLife announcing the execution of the Merger Agreement is attached as Exhibit 99.1 hereto and incorporated herein by reference.

Pursuant to the terms of the Merger Agreement, CryoLife, through CL Falcon, is offering to exchange cash for all of the outstanding shares of Cardiogenesis common stock (the "Offer"). In the Offer, CryoLife, through CL Falcon, is offering to exchange for each share of Cardiogenesis common stock that is validly tendered and not withdrawn \$0.457 in cash, without interest and less any applicable withholding taxes. The Offer will remain open for at least 20 business days from the date it commences. Subsequent to the completion of the Offer, the Merger Agreement provides that CryoLife will merge CL Falcon with and into Cardiogenesis (the "Merger"). As a result of the Merger, the separate corporate existence of CL Falcon will cease and Cardiogenesis will continue as the surviving corporation of the Merger and a wholly-owned subsidiary of CryoLife.

Concurrently with the execution and delivery of the Merger Agreement, each member of the Cardiogenesis Board of Directors and each executive officer of Cardiogenesis entered into a support agreement (the "Support Agreement") pursuant to which they have agreed to tender into the Offer, upon CryoLife's written request, an aggregate of 1,276,859 shares of Cardiogenesis common stock, which represent approximately 2.7% of the common stock of Cardiogenesis outstanding as of March 25, 2011. The Support Agreement also requires such shareholders to take certain other actions in connection with the Merger Agreement, including voting in favor of matters contemplated by the Merger Agreement if a meeting of Cardiogenesis shareholders is called.

Pursuant to the Merger Agreement, Cardiogenesis has agreed, if a shareholder vote is required to complete the Merger pursuant to the California General Corporation Law (the "CGCL"), it will convene a meeting of its shareholders following consummation of the Offer for the purpose of considering and voting on the Merger. Cardiogenesis, acting through the Cardiogenesis Board, has further agreed that, if a shareholders' meeting is convened, the Cardiogenesis Board will recommend that shareholders of Cardiogenesis vote to approve the principal terms of the Merger. At any such meeting, all of Cardiogenesis' shares then owned by CryoLife and CL Falcon and by any of CryoLife's other subsidiaries, and all Cardiogenesis shares for which CryoLife has received proxies to vote, will be voted in favor of approval of the Merger Agreement and the Merger.

The CGCL provides that if a parent company owns at least 90% of each class of stock of a subsidiary, the parent company can effect a short-form merger with that subsidiary without the action of the other shareholders of the subsidiary. Accordingly, if after completion of the Offer, CryoLife directly or indirectly owns at least 90% of Cardiogenesis outstanding common stock, the Merger Agreement provides that CryoLife, CL Falcon and Cardiogenesis will take all necessary action to effect the Merger without a meeting of the shareholders of Cardiogenesis, if permitted to do so under the CGCL, as soon as reasonably practicable. The Merger Agreement also provides that if CryoLife and CL Falcon do not own at least 90% of the outstanding Cardiogenesis shares following consummation of the Offer, CryoLife and CL Falcon may seek to purchase additional Cardiogenesis shares in the open market, from Cardiogenesis or otherwise, in order to reach the 90% threshold and effect a short-form merger.

In the event that CryoLife is unable to complete the Merger as a short-form merger, the Merger Agreement provides that CryoLife may seek to have the Merger approved by a majority of Cardiogenesis' shareholders at a special meeting, and may cause Cardiogenesis to distribute a proxy statement to the Cardiogenesis shareholders for that purpose.

The Merger Agreement contains a "Minimum Condition" clause that provides that CryoLife is only obligated to accept shares of Cardiogenesis common stock for exchange if there will have been validly tendered and not withdrawn prior to the expiration date of the Offer a number of shares of Cardiogenesis common stock, which, together with any shares of Cardiogenesis common stock that CryoLife, CL Falcon or any other subsidiary of CryoLife owns, constitute at least a majority of the total number of outstanding shares of Cardiogenesis common stock on a fully diluted basis. The Merger Agreement also provides that CryoLife will have the option of only purchasing 49.9% of the Cardiogenesis shares tendered in the event that CryoLife is not able to acquire over 90% of the outstanding Cardiogenesis shares pursuant to the Offer and any other options for acquiring Cardiogenesis shares contemplated by the Merger Agreement.

Pursuant to the Merger Agreement, Cardiogenesis has granted to CryoLife an irrevocable option to purchase newly-issued shares of Cardiogenesis common stock in an amount up to the lowest number of shares of Cardiogenesis common stock that, when added to the aggregate number of shares of Cardiogenesis common stock owned by CryoLife and CL Falcon, will constitute one share of Cardiogenesis common stock more than 90% of the total shares of Cardiogenesis common stock outstanding, on a fully-diluted basis, should CryoLife so elect (the "Top-Up Option"). Subject to applicable legal and regulatory requirements, the Top-Up Option is exercisable by CryoLife if, following completion of the Offer, CryoLife or CL Falcon beneficially own at least 83.5% of the outstanding shares of Cardiogenesis common stock. The consideration payable by CryoLife upon exercise of the Top-Up Option may be paid in cash, a promissory note bearing interest at the prime rate with a one-year maturity date, which will be secured to the extent required by California law, or a combination of the two. If the Top-Up Option is exercised, CryoLife and CL Falcon must undertake to consummate as promptly as practicable the Merger in order to acquire all remaining shares of Cardiogenesis common stock not acquired in the Offer.

Upon the acceptance of payment of shares of Cardiogenesis common stock pursuant to the Offer, if so requested by CryoLife, Cardiogenesis has agreed to take all action reasonably necessary to cause CryoLife's designees to be elected or appointed to Cardiogenesis' Board of Directors, including, at CryoLife's option, increasing the number of directors, so that CryoLife will have representation on the Cardiogenesis Board in proportion to its share ownership. CryoLife will also be entitled to designate up to two individuals to attend all meetings of the Cardiogenesis Board and all committees thereof.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement attached as Exhibit 2.1 to this Form 8-K, without schedules, which is incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about CryoLife, CL Falcon or Cardiogenesis. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure letter provided by the parties thereto in connection with the signing of the Merger Agreement. This disclosure letter contains information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between CryoLife, CL Falcon, and Cardiogenesis, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about CryoLife, CL Falcon, and Cardiogenesis.

Important Information about the Offer

Neither the Offer nor the Merger described herein has not yet commenced, and this Current Report on Form 8-K is neither an offer to purchase nor a solicitation of an offer to sell securities. At the time the Offer is commenced, CryoLife will cause CL Falcon to file a tender offer statement on Schedule TO with the SEC. Prior to consummation of the Merger, Cardiogenesis may file a proxy statement with the SEC. Investors and Cardiogenesis shareholders are strongly advised to read the tender offer statement (including an offer to purchase, letter of transmittal and related tender offer documents) and the related solicitation/recommendation statement on Schedule 14D-9 and proxy statement that will be filed with the SEC, because they will contain important information. These documents will be available at no charge on the SEC's website at www.sec.gov, or with respect to the Offer documents only, from CryoLife at CryoLife, Inc., Attn: Corporate Secretary, 1655 Roberts Boulevard, NW, Kennesaw, Georgia 30144, (770) 419-3355, or with respect to the proxy statement only, from Cardiogenesis at Cardiogenesis Corporation Investor Relations at 11 Musick, Irvine, CA, 92618, telephone number (949) 420-1827 or IR@Cardiogenesis.com.

WHEREAS, Parent, Merger Sub and the Company desire to make certain representations, warranties, covenants and agreements in connection with the Offer and the Merger and also to prescribe certain conditions to the Offer and the Merger as specified herein.

AGREEMENT

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, Parent, Merger Sub and the Company hereby agree as follows:

ARTICLE I THE OFFER

Section 1.1 The Offer.

(a) Provided that this Agreement shall not have been terminated in accordance with Article VIII, as promptly as reasonably practicable, and in any event no later than the 10th calendar day after the date hereof, Merger Sub shall, and Parent shall cause Merger Sub to, commence (within the meaning of Rule 14d-2 under the Securities Exchange Act of 1934, as amended (including the rules and regulations promulgated thereunder, the “Exchange Act”)) the Offer. In the Offer, each Share accepted by Merger Sub in accordance with the terms and subject to the conditions of the Offer shall be exchanged for the right to receive \$0.457 in cash, without interest (such amount for each Share, the “Offer Consideration”), subject to the other provisions of this Section 1.1.

(b) The obligations of Merger Sub, and of Parent to cause Merger Sub, to accept for payment and pay for any Shares tendered pursuant to the Offer shall be subject only to (i) the satisfaction of the Minimum Condition, as defined on Exhibit B hereto and (ii) the satisfaction or waiver by Merger Sub of the other conditions set forth in Exhibit B (such conditions, together with the Minimum Condition, the “Offer Conditions”) and the terms and conditions hereof. Parent and Merger Sub expressly reserve the right, in their sole discretion, to waive any Offer Condition or to modify the terms or conditions of the Offer consistent with the terms of this Agreement, except that, without the prior written consent of the Company, neither Parent nor Merger Sub shall, except pursuant to Section 6.2(e), (A) reduce the Offer Consideration, (B) change the form of consideration payable in the Offer, (C) except as otherwise set forth in Section 1.1(d)(ii), reduce the number of Shares to be purchased by Merger Sub in the Offer, (D) except as otherwise set forth in Section 1.1(d)(ii), waive or amend the Minimum Condition, (E) add to the Offer Conditions or impose any other conditions to the Offer, (F) extend the expiration of the Offer except as required or permitted by Sections 1.1(c) or (d), (G) otherwise amend, modify or supplement any Offer Condition or any term of the Offer set forth in this Agreement in a manner adverse to the holders of Shares or (H) abandon or terminate the Offer, except as provided in Article VIII hereof. Notwithstanding the foregoing, Parent may amend the Offer without violation of the foregoing limitations and without the prior written consent of the Company in connection with its “match” right set forth in Section 6.2(e) in order to cause the Offer to comply with its requirements thereunder, *provided* that such “match” right-to-adjust shall not apply to Section 1.1(b)(D) and shall apply to Section 1.1(b)(G) only to the extent that the revised Offer, taken as a whole (as opposed to any individual term), has not been revised in a manner adverse to the holders of Shares.

(c) The Offer shall expire on the date that is twenty (20) Business Days (calculated as set forth in Rule 14d-1(g)(3) promulgated under the Exchange Act) after the commencement of the Offer (the “Initial Expiration Date”), except as may otherwise be required by applicable Law; *provided, however*, that Merger Sub shall, and Parent shall cause it to (in each case unless Parent or the Company has terminated this Agreement pursuant to Article VIII), extend the Offer (i) if at the Initial Expiration Date or any subsequent scheduled expiration date of the Offer (together with the Initial Expiration Date, the “Expiration Date”) any of the Offer Conditions shall not have been satisfied or waived, for one or more successive periods of up to ten (10) Business Days per extension (or any longer period as may be reasonably requested by Parent and approved in advance in writing by the Company) until the earlier to occur of (A) the date such Offer Conditions are satisfied or waived or (B) August 31, 2011 (the “Outside Date”), or (ii) for any period required by any rule, regulation, interpretation or position of the Securities and Exchange Commission (the “SEC”) or the staff thereof or the rules of the New York Stock Exchange (the “NYSE”) or any applicable Law.

(d) Notwithstanding anything to the contrary set forth in Section 1.1(c), if, at any Expiration Date, all of the Offer Conditions (including the Minimum Condition) shall have been satisfied or have been waived, but the number of Shares validly tendered in the Offer and not properly withdrawn is less than that number of Shares which, when added to the number of Shares that may be issued pursuant to the Top-Up Option in compliance with Section 1.5, would represent at least one (1) Share more than ninety percent (90%) of the Shares then outstanding (on a fully diluted basis, including such Shares issued upon exercise of the Top-Up Option) (the “Short-Form Merger Threshold”), then in such case Merger Sub may, in its sole and absolute discretion, without the consent of the Company:

(i) extend the Offer for one (1) or more successive periods as determined by Merger Sub of up to ten (10) Business Days each (or any longer period as may be requested by Merger Sub and approved in advance by the Company) until the Outside Date in order to permit additional Shares to be tendered into the Offer such that the Short-Form Merger Threshold may be attained; *provided, however*, that notwithstanding any other provision of this Agreement, in the event Merger Sub elects to extend the Offer pursuant to and in accordance with this Section 1.1(d)(i), then each of Parent and Merger Sub shall be deemed to have irrevocably waived all of the Offer Conditions (other than the Offer Condition contemplated by clause (b)(iv)(A) of Exhibit B, which shall remain in full force and effect) and its right to terminate this Agreement pursuant to Section 8.1(c)(i) (as it relates to the Offer Condition contemplated by clause (b)(iv) of Exhibit B, but not as it relates to the Offer Condition contemplated by clause (b)(iv)(A) of Exhibit B or Section 8.1(c)(iii), (it being acknowledged and agreed that, (A) notwithstanding such irrevocable waiver, without the prior written consent of the Company, neither Parent nor Merger Sub shall be permitted to accept for payment (or pay for) any Shares that are tendered in the Offer unless the Minimum Condition is satisfied at such time, (B) during any extension of the Offer pursuant to this Section 1.1(d)(i), the Company shall not exercise any remedies against Parent or Merger Sub for failure to accept for payment (or pay for) any Shares that are tendered in the Offer, and (C) if for any reason other than a failure of the Offer Conditions contemplated by clause (b)(iv)(A) of Exhibit B, Merger Sub does not accept for payment (and pay for) all Shares validly tendered in the Offer and not properly withdrawn at the expiration of such successive period(s), then Parent and Merger Sub shall be deemed to be in breach of this Agreement); or

(ii) (A) amend the Offer and the Offer Documents (but only to the extent required by applicable Law) to reduce the Minimum Condition to such number of Shares (the “Reduced Purchase Amount”) such that following the purchase of Shares in the Offer, Parent and its wholly owned subsidiaries, including Merger Sub, would own forty-nine and nine-tenths percent (49.9%) of the Shares then outstanding and (B) purchase, on a pro rata basis based on the Shares actually deposited in the Offer by each holder of any such Shares, Shares representing the Reduced Purchase Amount in the Offer; *provided, however*, that notwithstanding any other provision of this Agreement, in the event Merger Sub purchases a number of Shares equal to the Reduced Purchase Amount pursuant to and in accordance with this Section 1.1(d)(ii), then, without the prior written consent of Parent and Merger Sub, at all times prior to the termination of this Agreement, the Company shall take no action whatsoever (including the redemption of any Shares) that would have the effect of increasing the percentage of direct or indirect ownership of Shares by Parent and its controlled Affiliates, including Merger Sub, in excess of forty-nine and nine-tenths percent (49.9%).

(e) Subject to the terms of the Offer and this Agreement and the satisfaction or waiver by Merger Sub of all of the Offer Conditions, Merger Sub will irrevocably accept for payment and pay for all Shares validly tendered and not validly withdrawn pursuant to the Offer as soon as practicable after the expiration date thereof (as the same may be extended or required to be extended, in each case in accordance with the terms of Section 1.1) (the date on which the first of such Shares are accepted for payment under the Offer, the “Acceptance Date”).

(f) Parent shall cause to be provided to Merger Sub all of the funds necessary to purchase any Shares that Merger Sub becomes obligated to purchase pursuant to the Offer, and shall cause Merger Sub to perform, on a timely basis, all of Merger Sub's obligations under this Agreement with respect to consummation of the Offer and the Merger and payment or issuance of consideration contemplated by this Agreement in respect thereof.

Section 1.2 Offer Documents. On the date of commencement of the Offer, Parent and Merger Sub shall file with the SEC a Tender Offer Statement on Schedule TO ("Schedule TO") with respect to the Offer, which shall contain an offer to purchase and a related letter of transmittal and other ancillary documents (such as Schedule TO and the documents included therein pursuant to which the Offer will be made, together with any supplements or amendments thereto, the "Offer Documents"). The Company shall promptly furnish to Parent and Merger Sub all information concerning the Company required by the Exchange Act to be set forth in the Offer Documents. Each of Parent, Merger Sub and the Company shall promptly correct any information supplied by it for inclusion or incorporation by reference in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect, and each of Parent and Merger Sub shall take all steps necessary to amend or supplement the Offer Documents and to cause the Offer Documents as so amended or supplemented to be filed with the SEC and disseminated to the Stockholders, in each case as and to the extent required by applicable Laws. Parent and Merger Sub shall promptly notify the Company upon the receipt of any comments from the SEC, or any request from the SEC for amendments or supplements, to the Offer Documents, and shall provide the Company with copies of all correspondence between them and their Representatives, on the one hand, and the SEC, on the other hand, and shall use its reasonable best efforts to give the Company the opportunity to participate in any substantive telephonic communications with the staff of the SEC related thereto. Prior to the filing of the Offer Documents (including any amendment or supplement thereto) with the SEC or dissemination thereof to the shareholders of the Company, or responding to any comments of the SEC with respect to the Offer Documents, Parent and Merger Sub shall provide the Company a reasonable opportunity to review and comment on such Offer Documents or response (including the proposed final version thereof), and Parent and Merger Sub shall give reasonable consideration to any such comments.

Section 1.3 Company Actions.

(a) The Company hereby consents to the Offer and to the inclusion in the Offer Documents of the recommendation of the Company Board described in Section 4.4(b) (as long as no Adverse Recommendation Change has occurred prior to the filing of such Offer Document and provided that in the event of an Adverse Recommendation Change, Parent and Merger Sub shall file such amendment to the Offer Documents as may be necessary so that any of such Offer Documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading).

(b) As promptly as reasonably practicable on the date of filing by Parent and Merger Sub of the Offer Documents, the Company shall file with the SEC and mail to the Stockholders a Solicitation/Recommendation Statement on Schedule 14D-9 (such as Schedule 14D-9, together with any amendments or supplements thereto, the "Schedule 14D-9") containing, subject to the Company Board's right to make an Adverse Recommendation Change in accordance with Section 6.2(e), the recommendation of the Company Board described in Section 4.4(b), and shall cause the Schedule 14D-9 to be disseminated to the Stockholders (concurrently with and in the same mailing envelope as the Offer Documents) as required by Rule 14d-9 under the Exchange Act. Each of the Company, Parent and Merger Sub agrees promptly to correct any information provided by it for use in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect, and the Company further agrees to take all steps necessary to cause the Schedule 14D-9 as so corrected to be filed with the SEC and to be disseminated to the Stockholders, in each case, as and to the extent required by applicable federal securities Laws. As long as no Adverse Recommendation Change has occurred in accordance with Section 6.2(e) prior to the filing of such Schedule 14D-9 or the applicable amendment thereto, Parent, Merger Sub and their counsel shall be given a reasonable opportunity to review and comment on such Schedule 14D-9 and any such amendments thereto prior to the filing thereof with the SEC and the Company shall give due consideration to all reasonable additions, deletions or changes suggested thereto by Parent, Merger Sub and their counsel. In addition, the Company agrees to provide Parent, Merger Sub and their counsel any comments, whether written or oral, that the Company or its counsel may receive from the SEC or its staff with respect to the Schedule 14D-9 promptly after the receipt of such comments, and any written or oral responses thereto. Parent, Merger Sub and their counsel shall be given a reasonable opportunity to review and comment upon such responses and the Company shall give due consideration to all reasonable additions, deletions or changes suggested thereto by Parent, Merger Sub and their counsel.

(c) In connection with the Offer, the Company shall cause its transfer agent promptly to furnish Parent and Merger Sub with mailing labels, security position listings, any non-objecting beneficial owner lists and any available listings or computer files containing the names and addresses of the record holders of Shares as of the most recent practicable date and shall furnish Parent and Merger Sub with such additional available information (including, but not limited to, periodic updates of such information) and such other assistance as Parent, Merger Sub or their agents may reasonably request in communicating the Offer to the record and beneficial holders of Shares. Except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the Offer and the Merger, Parent and Merger Sub shall hold in confidence, subject to the terms of the Confidentiality Agreement except as further limited herein, the information contained in any such labels, listings and files, shall use such information only in connection with the Offer and the Merger and if this Agreement shall be terminated shall promptly deliver to the Company or order the destruction of the original and all copies of such information.

Section 1.4 Directors.

(a) Subject to compliance with applicable Law and the Company Charter and Company Bylaws, promptly upon the payment by Merger Sub for Shares pursuant to the consummation of the Offer, and from time to time thereafter, Parent shall be entitled to designate such number of directors, rounded up to the next whole number, on the Company Board as is equal to the product of the total number of directors on the Company Board (including the directors elected pursuant to this sentence) multiplied by the percentage that the aggregate number of Shares beneficially owned by Parent or its Affiliates at such time (including Shares so accepted for payment) bears to the total number of Shares then outstanding on a fully-diluted basis. In furtherance thereof, promptly upon the payment by Merger Sub for Shares pursuant to the Offer the Company shall, upon request of Parent, promptly take all actions necessary to cause Parent's designees to be so elected or appointed, including, without limitation, increasing the size of its Board of Directors and/or seeking the resignations of one or more incumbent directors. At such time, the Company shall, upon request of Parent, also promptly take all actions necessary to cause individuals designated by Parent to constitute at least the same percentage (rounded up to the next whole number) as is on the Company Board of (i) each committee of the Company Board, (ii) each board of directors (or similar body) of each Subsidiary of the Company and (iii) each committee (or similar body) of each such board.

(b) Subject to compliance with applicable Law and the Company Charter and Company Bylaws, promptly upon the payment by Merger Sub for Shares pursuant to the consummation of the Offer, and from time to time thereafter, Parent shall be entitled to designate up to two individuals (each, a "Board Observer") to attend all meetings of the Company Board and all committees thereof (whether in person, telephonic or other). Each Board Observer will be provided, concurrently with the members of the Company Board and in the same manner, all notices, information and materials provided to the Company Board.

(c) The Company's obligations to appoint Parent's designees to the Company Board pursuant to Section 1.4(a) shall be subject to Section 14(f) of the Exchange Act and Rule 14f-1 thereunder. Subject to applicable Law, the Company shall promptly take all actions required pursuant to Section 14(f) and Rule 14f-1 in order to fulfill its obligations under this Section 1.4, including mailing to the Stockholders together with the Schedule 14D-9 the information required under Section 14(f) and Rule 14f-1 as is necessary to enable Parent's designees to be elected or appointed to the Company Board. Parent shall supply to the Company any information with respect to itself and its officers, directors and Affiliates to the extent required by Section 14(f) and Rule 14f-1. The provisions of this Section 1.4 are in addition to and shall not limit any rights that Parent, Merger Sub or any of their Affiliates may have as a holder or beneficial owner of Shares as a matter of applicable Law with respect to the election of directors or otherwise.

(d) In the event that Parent's designees are elected or appointed to the Company Board pursuant to this Section 1.4 then, until the Effective Time, the Company shall use commercially reasonable efforts to cause the Company Board to maintain at least three directors who are members of the Company Board on the date of this Agreement and who are independent for purposes of Rule 10A-3 under the Exchange Act (the "Independent Directors"); *provided, however,* that if the number of Independent Directors is reduced below three for any reason, the remaining Independent Director(s) shall be entitled to nominate an individual or individuals to fill such vacancy who shall be deemed to be Independent Directors for purposes of this Agreement or, if no Independent Directors then remain, the other directors shall designate three individuals to fill such vacancies who are independent for purposes of Rule 10A-3 under the Exchange Act, and such individuals shall be deemed to be Independent Directors for purposes of this Agreement. The Company and the Company Board shall promptly take all action as may be necessary to comply with their obligations under this Section 1.4(d). Notwithstanding anything in this Agreement to the contrary, from and after the time, if any, that Parent's designees pursuant to this Section 1.4 constitute a majority of the Company Board and prior to the Effective Time, subject to the terms hereof, any amendment or termination of this Agreement by the Company, any extension by the Company of the time for the performance of any of the obligations or other acts of Parent or Merger Sub or waiver of any of the Company's rights hereunder, will require the concurrence of a majority of the Independent Directors (or in the case where there are two or fewer Independent Directors, the concurrence of one Independent Director) if such amendment, termination, extension or waiver would reasonably be expected to have an adverse effect on any holders of Shares other than Parent or Merger Sub. The Independent Directors shall have the authority to retain outside legal counsel (which may include current outside legal counsel of the Company) at the reasonable expense of the Company for the purpose of fulfilling their obligations under this Agreement and shall have the authority, after the Acceptance Date, to institute any action on behalf of the Company to enforce the performance of the Agreement in accordance with its terms.

Section 1.5 The Top-Up Option.

(a) The Company hereby grants to Merger Sub an irrevocable option (the "Top-Up Option"), exercisable upon the terms and conditions of this Section 1.5, to purchase that number of newly-issued Shares (the "Top-Up Shares") equal to the lowest number of Shares that, when added to the number of Shares held by Parent and Merger Sub at the time of such exercise, shall constitute one share more than ninety (90%) of the total Shares then outstanding (determined on a fully diluted basis if Merger Sub so elects and assuming the issuance of the Top-Up Shares, but excluding from Merger Sub's ownership, but not from outstanding Shares, Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee).

(b) The Top-Up Option shall be exercisable once in whole and not in part on or prior to the 10th Business Day after Merger Sub's acceptance for payment of Shares pursuant to the Offer, *provided* that the number of Shares beneficially owned by Parent or Merger Sub immediately prior to the time of exercise of the Top-Up Option constitutes at least eighty three and one-half percent (83.5%) of the Shares then outstanding (excluding from Merger Sub's ownership, but not from outstanding Shares, Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee) and that Merger Sub shall own, immediately after such exercise and the issuance of Top-Up Shares pursuant thereto, one share more than ninety percent (90%) of the Shares then outstanding (excluding from Merger Sub's ownership, but not from outstanding Shares, Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee); *provided, further*, that in no event shall the Top-Up Option be exercisable (x) for a number of Shares in excess of the number of authorized but unissued Shares (including as authorized and unissued Shares, for purposes of this Section 1.5, any Shares held in the treasury of the Company or subject to unexercised warrants or Company Stock Options) or (y) if any provision of applicable Law or judgment, injunction, order or decree shall prohibit the exercise of the Top-Up Option or the delivery of the Top-Up Shares. Except as otherwise provided in Section 1.5(c), the aggregate amount payable to the Company for the Top-Up Shares shall be equal to the product of the number of Top-Up Shares and the Offer Consideration (the "Top-Up Consideration"). The Top-Up Option shall terminate upon the earlier to occur of (i) the Effective Time and (ii) the termination of this Agreement in accordance with its terms.

(c) The Top-Up Consideration may be paid (x) in cash or (y) by issuance of a promissory note (which shall be treated as payment to the extent of the principal amount thereof) with full recourse to Parent, or a combination of the foregoing, at Merger Sub's election; provided that the par value of any Shares issued pursuant to the Top-Up Option shall be paid in cash. Any such promissory note shall (A) bear interest at the rate per annum equal to the prime rate as reported in *The Wall Street Journal* on the date of execution and delivery of such promissory note, (B) shall mature on the first anniversary of the date of execution and delivery of such promissory note, (C) may be prepaid without premium or penalty and (D) shall provide that the unpaid principal amount and accrued interest under the promissory note shall immediately become due and payable in the event that (x) Merger Sub fails to make any payment of interest on the promissory note as provided therein and such failure continues for a period of thirty (30) days or (y) Merger Sub files or has filed against it any petition under any bankruptcy or insolvency law or makes a general assignment for the benefit of creditors.

(d) In the event Merger Sub exercises the Top-Up Option, Merger Sub shall so notify the Company in writing, and shall set forth in such notice (i) the number of Shares that will be owned by Parent and Merger Sub immediately preceding the purchase of the Top-Up Shares, (ii) the place and time for the closing of the purchase of the Top-Up Shares (which, subject to applicable Law and any required regulatory approvals, shall be effected as promptly as practicable and not more than two (2) Business Days after date such notice is delivered to the Company), (iii) the number of Top-Up Shares to be purchased and (iv) the manner in which Merger Sub intends to pay the applicable exercise price. Such notice shall also include an undertaking signed by Parent and Merger Sub that, as promptly as practicable following such exercise of the Top-Up Option and the delivery by the Company of the Top-Up Shares, Merger Sub shall, and Parent shall cause Merger Sub to, consummate the Merger in accordance with the terms hereof (in the case of the Merger, subject to Article VII). At the closing of the purchase of the Top-Up Shares, Parent or Merger Sub shall cause to be delivered to the Company the consideration required to be delivered in exchange for such shares, and the Company shall cause to be issued to Parent or Merger Sub a certificate representing such shares, which certificate shall include any legends required by applicable securities Laws.

(e) Parent and Merger Sub understand that the offer and sale of the Top-Up Shares will not be registered under the Securities Act of 1933, as amended (the “Securities Act”) and will be issued in reliance upon an exemption thereunder for transactions not involving a public offering. Each of Parent and Merger Sub represents and warrants that Merger Sub will be, upon the purchase of the Top-Up Shares, an “accredited investor,” as defined in Rule 501 of Regulation D under the Securities Act. Each of Parent and Merger Sub represents, warrants and agrees that the Top-Up Option is being, and the Top-Up Shares will be, acquired by Merger Sub for the purpose of investment and not with a view to or for resale in connection with any distribution thereof within the meaning of the Securities Act.

(f) Parent and the Company shall use their respective commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, and assist and cooperate with each other in doing, all things necessary or desirable to procure from any Governmental Entity any necessary waiver or other exemption from applicable Law in order to issue the Top-Up Shares without obtaining the approval of the Stockholders.

(g) The parties agree that any dilutive impact on the value of the Shares as a result of the existence or exercise of the Top-Up Option or the issuance of the Top-Up Shares, and any effect of the promissory note referred to in Section 1.5(c) above, will not be taken into account in any determination of the fair value of any Dissenting Shares pursuant to Chapter 13 of the California General Corporation Law (the “CGCL”) as contemplated by Section 3.5.

(h) Except to the extent prohibited by applicable Law, Parent may cause the Company to deliver cash paid upon exercise of the Top-Up Option to the Paying Agent as part of the Exchange Fund in satisfaction of the obligations of Parent and Merger Sub under Section 3.3(a) to deliver a corresponding amount of cash, and such amounts shall be included in the Merger Consideration.

Section 1.6 Short Form Merger. If, after the consummation of the Offer and any exercise of the Top-Up Option, the number of Shares beneficially owned by Parent, Merger Sub and Parent’s other Subsidiaries collectively represent at least ninety percent (90%) of the then outstanding Shares, Parent shall cause Merger Sub to, and Parent and Parent’s other Subsidiaries shall transfer any Shares they own to Merger Sub to enable Merger Sub to, and the Company shall execute and deliver such documents and instruments and take such other actions as Parent or Merger Sub may request, in order to cause the Merger to be completed as promptly as reasonably practicable as provided in Section 1110 of the CGCL, and otherwise as provided in Article II below.

ARTICLE II THE MERGER

Section 2.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the CGCL and the Florida Business Corporation Act (the “Florida Act”), at the Effective Time, Merger Sub shall be merged with and into the Company. Following the Merger, the separate corporate existence of Merger Sub shall cease, and the Company shall continue as the surviving corporation in the Merger (the “Surviving Corporation”).

Section 2.2 Closing. The closing of the Merger (the “Closing”) shall take place at 10:00 a.m., Eastern time, on the second (2nd) Business Day following the satisfaction or, to the extent permitted by applicable Law, waiver of the conditions set forth in Article VII (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or, to the extent permitted by applicable Law, waiver of those conditions), at the offices of Arnall Golden Gregory LLP at 171 17th Street NW, Suite 2100, Atlanta, Georgia 30363, unless another date, time or place is agreed to in writing by Parent and the Company. The date on which the Closing occurs is referred to in this Agreement as the “Closing Date.”

Section 2.3 Effective Time. Upon the terms and subject to the provisions of this Agreement, as soon as practicable on the Closing Date, the parties shall file (a) a certificate of merger with the Secretary of State of the State of Florida (the "Florida Secretary of State") executed in accordance with the relevant provisions of the Florida Act (the "Florida Certificate of Merger"), (b) a certificate of merger with the Secretary of State of the State of California (the "California Secretary of State") executed in accordance with the relevant provisions of the CGCL ((a) and (b), collectively, the "Certificates of Merger" and each individually, a "Certificate of Merger") and (c) as soon as practicable on or after the Closing Date, shall make any and all other filings or recordings required under the Florida Act and the CGCL. The Merger shall become effective at such time as specified in the Certificates of Merger (the time the Merger becomes effective being the "Effective Time").

Section 2.4 Effects of the Merger. The Merger shall have the effects set forth in this Agreement and in the relevant provisions of the Florida Act and the CGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

Section 2.5 Articles of Incorporation; Bylaws.

(a) At the Effective Time, the articles of incorporation of the Company shall be amended and restated in substantially the form set forth in Exhibit C and, as so amended, shall be the articles of incorporation of the Surviving Corporation until thereafter amended in accordance with its terms and as provided by applicable Law.

(b) At the Effective Time, the bylaws of the Company shall be amended and restated in substantially the form set forth in Exhibit D, and, as so amended, shall be the bylaws of the Surviving Corporation until thereafter amended in accordance with their terms and as provided by applicable Law.

Section 2.6 Directors. The directors of Merger Sub immediately prior to the Effective Time shall be the directors of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly elected and qualified.

Section 2.7 Officers. The officers of Merger Sub immediately prior to the Effective Time shall be the officers of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly elected and qualified.

**ARTICLE III
EFFECT ON THE CAPITAL STOCK OF THE
CONSTITUENT CORPORATIONS; EXCHANGE OF CERTIFICATES**

Section 3.1 Conversion of Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders of any shares of capital stock of the Company, Parent or Merger Sub:

(a) Each Share issued and outstanding immediately prior to the Effective Time (other than Shares to be canceled in accordance with Section 3.1(b) and any Dissenting Shares) shall thereupon be converted automatically into and shall thereafter represent the right to receive \$0.457 in cash, without interest (the "Merger Consideration"). As of the Effective Time, all such Shares shall no longer be outstanding and shall automatically be cancelled and shall cease to exist, and shall thereafter only represent the right to receive the Merger Consideration to be issued or paid in accordance with Section 3.3, without interest.

(b) Each Share held in the treasury of the Company or owned, directly or indirectly, by Parent, Merger Sub or any wholly owned Subsidiary of the Company immediately prior to the Effective Time shall automatically be canceled and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(c) Each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become one validly issued, fully paid and non-assessable share of common stock, no par value per share, of the Surviving Corporation.

(d) If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of the Company, or securities convertible into or exchangeable into or exercisable for shares of such capital stock, shall occur as a result of any reclassification, recapitalization, stock split (including a reverse stock split) or subdivision or combination, exchange or readjustment of shares, or any stock dividend or stock distribution with a record date during such period (excluding, in each case, normal quarterly cash dividends), merger or other similar transaction, the Merger Consideration shall be equitably adjusted, without duplication, to reflect such change; *provided*, that nothing in this Section 3.1(d) shall be construed to permit the Company to take any action with respect to its securities that is prohibited by the terms of this Agreement.

Section 3.2 Treatment of Warrants, Options and Other Equity-Based Awards.

(a) Following the date hereof, (i) the Company shall provide written notice of the pending Merger to the holder (the "Warrant Holder") of that certain Common Stock Purchase Warrant dated October 26, 2004 (the "Warrant"), in accordance with the terms thereof, and (ii) as soon as reasonably practicable following the Effective Time, provided that the Warrant Holder has not earlier exercised the Warrant in full, Parent shall issue a replacement warrant to the Warrant Holder providing identical terms to the Warrant except that such replacement warrant shall be exercisable into the amount of Merger Consideration to which the Warrant Holder would have been entitled if the Warrant Holder had exercised the Warrant immediately prior to the consummation of the Merger.

(b) At the Effective Time, each option (each, a "Company Stock Option") to purchase Shares granted under the Cardiogenesis Corporation Director Stock Option Plan and/or the Cardiogenesis Corporation Stock Option Plan (collectively, the "Company Stock Plans"), whether vested or unvested, that is outstanding immediately prior to the Effective Time shall be cancelled and, in exchange therefor, the Surviving Corporation shall pay to each former holder of any such cancelled Company Stock Option as soon as practicable following the Effective Time by a special payroll payment an amount in cash (without interest, and subject to deduction for any required withholding Tax) equal to the product of (i) the excess of the Merger Consideration over the exercise price per Share under such Company Stock Option and (ii) the number of Shares subject to such Company Stock Option; *provided*, that if the exercise price per Share of any such Company Stock Option is equal to or greater than the Merger Consideration, such Company Stock Option shall be canceled without any cash payment being made in respect thereof; *provided further* that Parent may, in its sole discretion, cause the Paying Agent, on behalf of the Surviving Corporation, to make the payments described in this Section 3.2(b) rather than the Surviving Corporation. The Company shall, prior to the Acceptance Date, take all requisite action necessary to amend the Company Stock Plans to permit the cancellation and exchange of the Company Stock Options contemplated by this Section 3.2(b).

(c) Each share of restricted stock acquired pursuant to a stock purchase right under the Cardiogenesis Corporation Stock Option Plan ("Restricted Stock") that is not fully vested and that is outstanding immediately prior to the Acceptance Date shall automatically become fully vested immediately prior to the Acceptance Date, but subject to the occurrence of the Acceptance Date, pursuant to the terms of the Restricted Stock Purchase Agreement evidencing such Restricted Stock without any action on the part of the Company, Parent, Merger Sub or the holders of any such share of Restricted Stock. The Company shall, prior to the Acceptance Date, take all requisite action, if any, necessary to accelerate the vesting of all outstanding Restricted Stock as contemplated by the preceding sentence.

(d) The Company shall take all actions necessary to ensure that, as of the Effective Time, (i) the Company Stock Plans shall terminate and (ii) no holder of a Company Stock Option or any participant in any Company Stock Plan or any other employee incentive or benefit plan, program or arrangement or any non-employee director plan maintained by the Company shall have any rights to acquire, or other rights in respect of, the capital stock of the Company, the Surviving Corporation or any of their Subsidiaries, except the right to receive the payment contemplated by Section 3.2(b) upon exercise thereof.

(e) With respect to the 1996 Employee Stock Purchase Plan of Cardiogenesis Corporation, as amended (as so amended, the “ESPP”), the Company shall not commence any new Offering Periods (as defined in the ESPP) under the ESPP on or after the date of this Agreement.

Section 3.3 Exchange and Payment.

(a) Prior to the Effective Time, Parent and Merger Sub shall enter into an agreement with a bank or trust company designated by Parent and reasonably acceptable to the Company (the “Paying Agent”). On the day of (and immediately following) the Effective Time, Parent or Merger Sub shall deposit (or cause to be deposited) with the Paying Agent, in trust for the benefit of holders of Shares, an amount of cash sufficient to deliver to holders of Shares the Merger Consideration to which they are entitled pursuant to Section 3.1. Any cash deposited with the Paying Agent shall hereinafter be referred to as the “Exchange Fund.” The Exchange Fund shall not be used for any purpose other than to fund payments due pursuant to Section 3.1(a), except as provided in this Agreement. Parent shall pay all fees and expenses of the Paying Agent.

(b) As soon as reasonably practicable after the Effective Time, but in any event no later than the third (3rd) Business Day thereafter, the Surviving Corporation shall cause the Paying Agent to mail to each holder of record of an outstanding certificate or outstanding certificates (“Certificates”) and to each holder of uncertificated Shares represented by book entry (“Book-Entry Shares”) that immediately prior to the Effective Time represented outstanding Shares that were converted into the right to receive the Merger Consideration with respect thereto pursuant to Section 3.1(a), (i) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates held by such Person shall pass, only upon proper delivery of the Certificates to the Paying Agent, and which letter shall be in customary form and contain such other provisions as Parent or the Paying Agent may reasonably specify) and (ii) instructions for use in effecting the surrender of such Certificates or Book-Entry Shares in exchange for the Merger Consideration payable with respect thereto pursuant to Section 3.1(a). Upon surrender of a Certificate to the Paying Agent, together with such letter of transmittal (or, in the case of a Book-Entry Share, upon delivery of such letter of transmittal), duly completed and validly executed in accordance with the instructions thereto, and such other documents as the Paying Agent may reasonably require (a “Proper Delivery”), the holder of such Certificate or Book-Entry Share shall be entitled to receive in exchange therefor the Merger Consideration that such holder is entitled to receive pursuant to Section 3.1(a) in respect of the Shares represented by such Certificate or Book-Entry Share and the Certificate so surrendered shall forthwith be canceled. No interest will be paid or accrued on any Merger Consideration payable in respect of Certificates or Book-Entry Shares. Payment of Merger Consideration shall be made as promptly as practicable after the date of Proper Delivery of the applicable Certificate or Book-Entry Share.

(c) If payment of the Merger Consideration is to be made to a Person other than the Person in whose name the surrendered Certificate or Book-Entry Share is registered, it shall be a condition of payment that such Certificate so surrendered shall be properly endorsed or shall be otherwise in proper form for transfer or such Book-Entry Share shall be properly transferred and that the Person requesting such payment shall have paid any transfer and other Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder of the Certificate or Book-Entry Share surrendered or shall have established to the satisfaction of Parent that such tax either has been paid or is not applicable.

(d) Until surrendered as contemplated by this Section 3.3, each Certificate or Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive the Merger Consideration payable in respect of Shares theretofore represented by such Certificate or Book-Entry Shares, as applicable, pursuant to Section 3.1(a), without any interest thereon.

(e) All Merger Consideration delivered upon the surrender for exchange of Certificates or Book-Entry Shares in accordance with the terms of this Article III shall be deemed to have been paid in full satisfaction of all rights pertaining to the Shares formerly represented by such Certificates or Book-Entry Shares. At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation or the Paying Agent for transfer or transfer is sought for Book-Entry Shares, such Certificates or Book-Entry Shares shall be canceled and exchanged as provided in this Article III, subject to applicable Law in the case of Dissenting Shares.

(f) The Paying Agent shall invest any cash included in the Exchange Fund as directed by Parent, on a daily basis. Any interest or other income resulting from such investments shall be paid to Parent, upon demand.

(g) Any portion of the Exchange Fund (and any interest or other income earned thereon) that remains undistributed to the holders of Certificates or Book-Entry Shares one (1) year after the Effective Time shall be delivered to Parent, upon demand, and any holders of Certificates or Book-Entry Shares who have not theretofore complied with this Article III shall thereafter look only to the Surviving Corporation (subject to abandoned property, escheat or other similar Laws), as general creditors thereof, for payment of the Merger Consideration with respect to Shares formerly represented by such Certificate or Book-Entry Share, without interest.

(h) None of Parent, the Surviving Corporation, the Paying Agent or any other Person shall be liable to any Person in respect of cash from the Exchange Fund properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(i) If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit, in form and substance required by the Paying Agent (or, if no such affidavit is required by the Paying Agent, in form and substance reasonably acceptable to Parent), of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Paying Agent, the posting by such Person of a bond in such amount as Parent or the Paying Agent may determine is reasonably necessary as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate, the Paying Agent will deliver in exchange for such lost, stolen or destroyed Certificate the Merger Consideration payable in respect thereof pursuant to this Agreement.

(j) Any portion of the Merger Consideration made available to the Paying Agent pursuant to Section 3.3(a) to pay for Shares for which appraisal rights have been perfected as described in Section 3.5 shall be returned to Parent, upon demand.

Section 3.4 Withholding Rights. Parent, Merger Sub, the Surviving Corporation and the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable to any holder of Shares, Company Stock Options or otherwise pursuant to this Agreement such amounts as Parent, the Surviving Corporation or the Paying Agent is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code"), or any provision of state, local or foreign tax Law. To the extent that amounts are so withheld and paid over to the appropriate taxing authority by Parent, the Surviving Corporation or the Paying Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

Section 3.5 Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, Shares issued and outstanding immediately prior to the Effective Time that are held by any holder who has not voted in favor of the Merger and who is entitled to demand and properly demands appraisal of such Shares pursuant to Section 1300 of the CGCL ("Dissenting Shares") shall not be converted into the right to receive the Merger Consideration, unless and until such holder shall have failed to perfect, or shall have effectively withdrawn or lost, such holder's right to appraisal under the CGCL. Dissenting Shares shall be treated in accordance with Chapter 13 of the CGCL. If any such holder fails to perfect or withdraws or loses any such right to appraisal, each such Share of such holder shall thereupon be converted into and become exchangeable only for the right to receive, as of the later of the Effective Time and the time that such right to appraisal has been irrevocably lost, withdrawn or expired, the Merger Consideration in accordance with Section 3.1(a). The Company shall serve prompt notice to Parent of any demands for appraisal of any Shares, attempted withdrawals of such notices or demands and any other instruments received by the Company relating to rights to appraisal, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. The Company shall not, without the prior written consent of Parent, make any payment with respect to, settle or offer to settle, or approve any withdrawal of any such demands.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as set forth in the corresponding section or subsection of the disclosure letter delivered by the Company to Parent prior to the execution of this Agreement (the "Company Disclosure Letter") (it being agreed that disclosure of any information in a particular section or subsection of the Company Disclosure Letter shall be deemed disclosure with respect to any other section or subsection of this Agreement to which the relevance of such information is readily apparent on its face or where specifically cross-referenced), each representation and warranty in this Article IV is not qualified in any way whatsoever, and is made and given with the intention of inducing Parent and Merger Sub to enter into this Agreement. Subject to the foregoing, the Company represents and warrants to Parent and Merger Sub as follows:

Section 4.1 Organization, Standing and Power.

(a) Each of the Company and its Subsidiaries (i) is an entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization, (ii) has all requisite corporate or similar power and authority to own, lease and operate its properties and to carry on its business as now being conducted and (iii) is duly qualified or licensed to do business and is in good standing in each jurisdiction in which the nature of its business or the ownership, leasing or operation of its properties makes such qualification or licensing necessary, except in the case of clause (iii), where the failure to be so qualified or licensed or in good standing, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. For purposes of this Agreement, "Material Adverse Effect" means (x) any event, change, circumstance, occurrence, effect or state of facts that (A) is or would reasonably be expected to be materially adverse to the business, assets, liabilities, condition (financial or otherwise) or results of operations of the Company and its Subsidiaries, taken as a whole, or (B) materially impairs the ability of the Company to comply, or prevents the Company from complying, with its material obligations with respect to the consummation of the Offer or the Merger or would reasonably be expected to do so; *provided, however*, that, Material Adverse Effect shall not include any event, change, circumstance, occurrence, effect or state of facts to the extent expressly set forth in the Company Disclosure Letter or arising out of or attributable to any of the following, either alone or in combination (1) generally affecting the industry in which the Company operates, or the economy or the financial or securities markets in the United States, including effects on such industry, economy or markets resulting from any regulatory or political conditions or developments in general, (2) any outbreak or escalation of hostilities or declared or undeclared acts of war or terrorism, weather, natural disasters or other force majeure events, (3) reflecting or resulting from changes in any Law or GAAP or interpretations thereof, (4) the announcement of the execution of this Agreement or the pendency of the Offer or the Merger or any other transactions contemplated by this Agreement, (5) any actions taken, or failure to take action, to which Parent or Merger Sub has expressly consented or requested, (6) compliance with the terms of, or the taking of any action required by, this Agreement, or the failure to take any action prohibited by this Agreement, (7) any stockholder litigation arising directly out of allegations of a breach of fiduciary duty relating to this Agreement (but excluding any such litigation arising out of or relating to any agreement with or between Stockholders other than the Support Agreement), (8) any failure by the Company or its Subsidiaries to meet any internal or external budgets, projections, forecasts or predictions of financial performance, or (9) a change in the market price or trading volume of the Shares, in and of itself; *provided, that*, with respect to clauses (1), (2) and (3), the impact of such event, change, circumstances, occurrence, effect or state of facts is not disproportionately adverse (relative to other industry participants of comparable size to the Company) to the Company and its Subsidiaries, taken as a whole, and *provided, further*, that with respect to clauses (8) and (9), the facts and circumstances giving rise to or contributing to such change may be taken into account in determining whether there has been a Material Adverse Effect; or (y) any violation, or series of violations, before or after the date hereof by the Company or any of its Subsidiaries (or any violation, or series of violations, for which the Company or any of its Subsidiaries could be liable) of any FDA Law, Foreign Drug Law, or Law covered by Sections 4.11(d) through 4.11(g) for which the remedy, or remedies in the case of a series of violations, when aggregated together, would reasonably be expected to have a material adverse effect on the business of Parent or its Subsidiaries (only to the extent such effect results solely from the Company's violation(s), and not including any portion of such effect resulting from any act or omission of Parent or its Subsidiaries), that has not been disclosed in the Company Disclosure Letter prior to the date hereof.

(b) The Company has previously delivered or made available to Parent true and complete copies of the Company's articles of incorporation (the "Company Charter") and bylaws (the "Company Bylaws"), in each case as amended to the date of this Agreement, and each as so delivered is in full force and effect. The Company is not in violation of any provision of the Company Charter or Company Bylaws. The Company has made available to Parent true and complete copies of the minutes of all meetings of the Stockholders, the Company Board and each committee of the Company Board held since January 1, 2007, except that any minutes of meetings related to other bidders in connection with any potential sale of the Company or any of its material assets or otherwise related to deliberations by the Company Board with respect to the consideration of strategic alternatives during the twelve (12) months prior to the date hereof shall be provided in redacted form to exclude only such financially sensitive information as is directly related to such other bidders or deliberations, as applicable.

Section 4.2 Capital Stock.

(a) The authorized capital stock of the Company consists of 75,000,000 Shares and 5,000,000 shares of preferred stock, no par value per share (the "Company Preferred Stock"). As of the close of business on March 25, 2011, (i) 46,638,421 Shares (excluding treasury shares) were issued and outstanding, (ii) no Shares were held by the Company in its treasury, (iii) no shares of Company Preferred Stock were issued and outstanding and no shares of Company Preferred Stock were held by the Company in its treasury, (iv) 7,041,775 Shares were reserved for issuance pursuant to Company Stock Plans (of which 3,146,940 Shares were subject to outstanding Company Stock Options, (v) 2,640,000 Shares were reserved for issuance pursuant to the Warrant and (vi) 423 shares were subject to purchase pursuant to the ESPP. There is no Offering Period under the ESPP ongoing as of the date of this Agreement. All the outstanding shares of capital stock of the Company are, and all shares reserved for issuance as noted in clauses (iv) and (v) above will be, when issued in accordance with the terms thereof, duly authorized, validly issued, fully paid and nonassessable and not subject to any preemptive rights. Neither the Company nor any of its Subsidiaries has outstanding any bonds, debentures, notes or other obligations having the right to vote (or convertible into, or exchangeable or exercisable for, securities having the right to vote) with the stockholders of the Company or such Subsidiary on any matter. Except for the Top-Up Option, except as set forth above in this Section 4.2(a) and except for changes since March 25, 2011 resulting from the exercise of Company Stock Options described in Section 4.2(c) or as expressly permitted by Section 6.1, there are no outstanding (A) shares of capital stock or other voting securities or equity interests of the Company, (B) securities of the Company or any of its Subsidiaries convertible into or exchangeable or exercisable for shares of capital stock of the Company or other voting securities or equity interests of the Company or any of its Subsidiaries, (C) stock appreciation rights, "phantom" stock rights, performance units, interests in or rights to the ownership or earnings of the Company or any of its Subsidiaries or other equity equivalent or equity-based award or right, (D) subscriptions, options, warrants, calls, commitments, Contracts or other rights to acquire from the Company or any of its Subsidiaries, or obligations of the Company or any of its Subsidiaries to issue, any shares of capital stock of the Company or any of its Subsidiaries, voting securities, equity interests or securities convertible into or exchangeable or exercisable for capital stock or other voting securities or equity interests of the Company or any of its Subsidiaries or rights or interests described in clause (C), or (E) obligations of the Company or any of its Subsidiaries to repurchase, redeem or otherwise acquire any such securities or to issue, grant, deliver or sell, or cause to be issued, granted, delivered or sold, any such securities.

(b) No shares of capital stock of the Company are owned by any Subsidiary of the Company. All the outstanding shares of capital stock or other voting securities or equity interests of each Subsidiary of the Company have been duly authorized and validly issued, are fully paid, nonassessable and not subject to any preemptive rights. All of the shares of capital stock or other voting securities or equity interests of each such Subsidiary are owned, directly or indirectly, by the Company, free and clear of all pledges, claims, liens, charges, options, rights of first refusal, encumbrances and security interests of any kind or nature whatsoever (including any limitation on voting, sale, transfer or other disposition or exercise of any other attribute of ownership) (collectively, "Liens"). There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company or any of its Subsidiaries is a party or on file with the Company with respect to the holding, voting, registration, redemption, repurchase or disposition of, or that restricts the transfer of, any capital stock or other equity interest of the Company or any of its Subsidiaries (except for the withholding of shares in connection with Taxes payable in respect of the exercise of Company Stock Options and the issuance of Shares in connection with the vesting of restricted stock units, performance stock units, restricted stock unit rights or other awards granted under the Company Plans).

(c) Section 4.2(c) of the Company Disclosure Letter sets forth a true and complete list of all holders, as of March 25, 2011, of outstanding Company Stock Options or other rights to purchase or receive Shares or similar rights granted under the Company Stock Plans or otherwise (collectively, "Company Stock Awards"), indicating as applicable, with respect to each Company Stock Award then outstanding, the type of award granted, the number of Shares subject to such Company Stock Award, the name of the plan under which such Company Stock Award was granted, the date of grant, exercise or purchase price, vesting schedule, payment schedule (if different from the vesting schedule) and expiration thereof, and whether (and to what extent) the vesting of such Company Stock Award will be accelerated or otherwise adjusted in any way or any other terms will be triggered or otherwise adjusted in any way by the consummation of the transactions contemplated by this Agreement or by the termination of employment or engagement or change in position of any holder thereof following or in connection with the Merger. Each Company Stock Option intended to qualify as an "incentive stock option" under Section 422 of the Code so qualifies and the exercise price of each other Company Stock Option is no less than the fair market value of a Share as determined on the date of grant of such Company Stock Option, and no Company Stock Option is subject to Section 409A of the Code. No Company Stock Options that are outstanding have been granted other than pursuant to the Company Stock Plans. The Company has made available to Parent true and complete copies of all Company Stock Plans and the forms of all stock option agreements evidencing outstanding Company Stock Options.

Section 4.3 Subsidiaries. Section 4.3 of the Company Disclosure Letter sets forth a true and complete list of each Subsidiary of the Company, including its jurisdiction of incorporation or formation. Except for the capital stock of, or other equity or voting interests in, its Subsidiaries, and except as set forth in Section 4.3 of the Company Disclosure Letter, the Company does not own, directly or indirectly, any equity, membership interest, partnership interest, joint venture interest, or other equity or voting interest in, or any interest convertible into, exercisable or exchangeable for any of the foregoing, nor is it under any current or prospective obligation to form or participate in, provide funds to, make any loan, capital contribution, guarantee, credit enhancement or other investment in, or assume any liability or obligation of, any Person.

Section 4.4 Authority.

(a) The Company has all necessary corporate power and authority to execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company and no other corporate proceedings on the part of the Company are necessary to approve this Agreement or to consummate the transactions contemplated hereby, subject, in the case of the consummation of the Merger and if required by applicable Law, to the adoption and approval of this Agreement by the holders of at least a majority in combined voting power of the outstanding Shares (the "Company Stockholder Approval"). This Agreement has been duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Parent and Merger Sub, constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms (except to the extent that enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the enforcement of creditors' rights generally or by general principles of equity, and further limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies).

(b) The Company Board, at a meeting duly called and held, duly adopted resolutions for which all directors present voted in favor of (i) determining that the terms of this Agreement, the Offer, the Merger and the other transactions contemplated hereby are fair to and in the best interests of the Stockholders, (ii) approving and declaring advisable this Agreement and the transactions contemplated hereby, including the Offer and the Merger, (iii) directing that this Agreement be submitted to the stockholders of the Company for adoption and approval (unless the Merger is consummated in accordance with Section 1110 of the CGCL as contemplated by Section 6.3(c)) and (iv) resolving to recommend that the Stockholders accept the Offer, tender their Shares pursuant to the Offer and vote in favor of the adoption and approval of this Agreement and the transactions contemplated hereby, including the Offer and the Merger (if required by applicable Law), which resolutions have not been subsequently rescinded, modified or withdrawn in any way, except as may be permitted by Section 6.2. The Company is providing to Parent concurrently herewith true and complete copies of the resolutions described herein.

(c) In the event that Section 1110 of the CGCL is inapplicable and unavailable to effectuate the Merger, the Company Stockholder Approval is the only vote of the holders of any class or series of the Company's capital stock or other securities required in connection with the consummation of the Merger. No vote of the holders of any other class or series of the Company's capital stock or other securities is required in connection with the consummation of any of the transactions contemplated hereby to be consummated by the Company other than the Merger.

Section 4.5 No Conflict; Consents and Approvals.

(a) The execution, delivery and performance of this Agreement by the Company does not, and (assuming that all consents, approvals, authorizations and other actions described in Section 4.5 of the Company Disclosure Letter have been obtained and all filings and obligations described in Section 4.5 of the Company Disclosure Letter have been made and any waiting periods thereunder have terminated or expired) the consummation of the Offer and the Merger and compliance by the Company with the provisions hereof will not, conflict with, or result in any violation or breach of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of, or result in, termination, cancellation, modification or acceleration of any obligation or to the loss of a benefit under, or result in the creation of any Lien in or upon any of the properties, assets or rights of the Company or any of its Subsidiaries under, or give rise to any increased, additional, accelerated or guaranteed rights or entitlements under, or require any consent, waiver or approval of any Person pursuant to, any provision of (i) the Company Charter or Company Bylaws, or the certificate of incorporation or bylaws (or similar organizational documents) of any Subsidiary of the Company, (ii) any bond, debenture, note, mortgage, indenture, guarantee, license, lease, purchase or sale order or other contract, agreement or other obligation binding on the Company and its Subsidiaries or any of their respective assets, whether oral or written (each, including all amendments thereto, a "Contract") to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries or any of their respective properties or assets may be bound or (iii) subject to the governmental filings and other matters referred to in Section 4.5(b), any federal, state, local or foreign law (including common law, FDA Laws, and Foreign Drug Laws), statute, ordinance, rule, code, regulation, order, judgment, injunction, decree or other legally enforceable requirement ("Law") applicable to the Company or any of its Subsidiaries or by which the Company or any of its Subsidiaries or any of their respective properties or assets may be bound, except in the case of clauses (ii) and (iii), as, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect.

(b) No consent, approval, order or authorization of, or registration, declaration, filing with or notice to, any federal, state, local or foreign government or subdivision thereof or any other governmental, administrative, judicial, arbitral, legislative, executive, regulatory or self-regulatory authority, instrumentality, agency, commission or body (each, a "Governmental Entity") is required by or with respect to the Company or any of its Subsidiaries in connection with the execution, delivery and performance of this Agreement by the Company or the consummation by the Company of the Offer and the Merger or compliance with the provisions hereof, except for (i) such filings and reports as may be required pursuant to the applicable requirements of the Securities Act, the Exchange Act and any other applicable state or federal securities, takeover and "blue sky" laws, (ii) the filing of the Certificates of Merger with the Florida Secretary of State, as required by the Florida Act, and the California Secretary of State, as required by the CGCL, respectively, and (iii) such other consents, approvals, orders, authorizations, registrations, declarations, filings or notices the failure of which to be obtained or made, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect.

Section 4.6 SEC Reports; Financial Statements.

(a) The Company has filed with or furnished to the SEC on a timely basis true and complete copies of all forms, reports, schedules, statements and other documents filed or required to be filed or furnished by the Company with the SEC since January 1, 2008 (all such documents, together with all exhibits and schedules thereto and all information incorporated therein by reference, the "Company SEC Documents"). As of their respective filing dates (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing), the Company SEC Documents complied in all material respects with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), as in effect on the date such forms, reports and documents were filed, as the case may be, including, in each case, the rules and regulations promulgated thereunder, and none of the Company SEC Documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) The financial statements (including the related notes thereto) included (or incorporated by reference) in the Company SEC Documents (i) have been prepared in all material respects in accordance with generally accepted accounting principles (“GAAP”) (except as may be indicated in the notes thereto and, in the case of unaudited statements, as permitted by the rules and regulations of the SEC applicable to Quarterly Reports on Form 10-Q) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto), (ii) comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto and (iii) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the dates thereof and their respective consolidated results of operations and cash flows for the periods then ended (except as may be indicated in the notes thereto and subject, in the case of unaudited statements, to normal and recurring year-end audit adjustments that were not, or are not expected to be, material in amount), all in accordance with GAAP and the applicable rules and regulations promulgated by the SEC. Since December 31, 2010, except as disclosed in the Company SEC Reports filed prior to the date hereof, the Company has not made any change in the accounting practices or policies applied in the preparation of its financial statements, except as required by GAAP, SEC rule or policy or applicable Law. The books and records of the Company and its Subsidiaries have been, and are being, maintained in all material respects in accordance with GAAP (to the extent applicable) and any other applicable legal and accounting requirements and reflect only actual transactions.

(c) The Company has established and maintains a system of internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) that provides reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and includes policies and procedures that: (i) provide for the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the Company’s financial statements in accordance with GAAP, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company’s assets that could have a material effect on its financial statements.

(d) The Company has established and maintains disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Such disclosure controls and procedures are designed to ensure that information relating to the Company, including its consolidated Subsidiaries, required to be disclosed in the Company’s periodic and current reports under the Exchange Act, is made known to the Company’s chief executive officer and its chief financial officer by others within those entities to allow timely decisions regarding required disclosures as required under the Exchange Act. The chief executive officer and chief financial officer of the Company have evaluated the effectiveness of the Company’s disclosure controls and procedures and, to the extent required by applicable Law, presented in any applicable Company SEC Document that is a report on Form 10-K or Form 10-Q, or any amendment thereto, its conclusions about the effectiveness of the disclosure controls and procedures as of the end of the period covered by such report or amendment based on such evaluation.

(e) Since January 1, 2007, (i) neither the Company nor any of its Subsidiaries nor, to the knowledge of the Company, any director, officer, employee, auditor, accountant or representative of the Company or any of its Subsidiaries has received or otherwise had or obtained knowledge of any complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of the Company or any of its Subsidiaries or their respective internal accounting controls, including any complaint, allegation, assertion or claim that the Company or any of its Subsidiaries has engaged in questionable accounting or auditing practices, and (ii) no attorney representing the Company or any of its Subsidiaries, whether or not employed by the Company or any of its Subsidiaries, has reported evidence of a violation of securities Laws, breach of fiduciary duty or similar violation by the Company or any of its Subsidiaries or any of their respective officers, directors, employees or agents to the Company Board or any committee thereof or to any director or officer of the Company or any of its Subsidiaries.

(f) As of the date of this Agreement, there are no outstanding or unresolved comments in the comment letters received from the SEC staff with respect to the Company SEC Documents. To the knowledge of the Company, none of the Company SEC Documents is subject to ongoing review or outstanding SEC comment or investigation. (h) No Subsidiary of the Company is subject to the reporting requirements of Sections 13 or 15(d) of the Exchange Act.

Section 4.7 No Undisclosed Liabilities. Except to the extent disclosed in the Company SEC Documents filed after the date of the Company's annual report on Form 10-K for the fiscal year ended December 31, 2010 and before the date hereof, neither the Company nor any of its Subsidiaries has any liabilities or obligations of any nature, whether accrued, absolute, contingent or otherwise, known or unknown, whether due, or to become due that are required to be recorded or reflected on a balance sheet under GAAP, except for (i) liabilities and obligations under this Agreement or in connection with the transactions contemplated hereby and (ii) liabilities and obligations incurred in the ordinary course of business consistent with past practice.

Section 4.8 Certain Information. Neither the Schedule 14D-9 nor the Proxy Statement will, at the respective times they are first filed with the SEC, amended or supplemented or first published, sent or given to the Stockholders and, in the case of the Proxy Statement, at the time of the Company Stockholders' Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading. The Schedule 14D-9 and the Proxy Statement will comply as to form in all material respects with the provisions of the Exchange Act. None of the information supplied or to be supplied by or on behalf of the Company specifically for inclusion or incorporation by reference in any of the Offer Documents will, at the respective times they are first filed with the SEC, amended or supplemented or first published, sent or given to the Stockholders, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading. Notwithstanding the foregoing, the Company makes no representation or warranty with respect to statements included or incorporated by reference in the Schedule 14D-9 or the Proxy Statement based on information supplied by or on behalf of Parent or Merger Sub specifically for inclusion or incorporation by reference therein. For purposes of this Agreement, the letter to the Stockholders, notice of meeting, proxy statement and form of proxy and any other soliciting material, or the information statement, as the case may be, to be distributed to the Stockholders in connection with the Merger (including any amendments or supplements) and any schedules required to be filed with the SEC in connection therewith are collectively referred to as the “Proxy Statement.”

Section 4.10 Litigation. There is no action, suit, claim, arbitration, investigation, inquiry, grievance or other proceeding (each, an "Action") (or basis therefor) pending or, to the knowledge of the Company, threatened against or affecting the Company or any of its Subsidiaries, any of their respective properties or assets and there is no filed litigation against any present or former officer, director or employee of the Company or any of its Subsidiaries in such individual's capacity as such. Section 4.11 Compliance with Laws and Permits.

(a) The Company and each of its Subsidiaries have in effect all material permits, licenses, variances, exemptions, authorizations, operating certificates, franchises, orders and approvals of all Governmental Entities (collectively, "Permits") necessary for them to own, lease or operate their properties and assets and to carry on their businesses and operations as now conducted, and no suspension, cancellation or other lapse of any such Permit is pending by or at the behest of any Governmental Entity, or to the Company's knowledge, threatened. All of such Permits shall remain in full force and effect after the Offer and the Merger. Since January 1, 2007, neither the Company nor any of its Subsidiaries has been in violation of (i) any Permits or (ii) except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, any applicable Law not explicitly covered in Section 4.11(b) through 4.11(g), including any consumer protection, equal opportunity, customs, patient confidentiality, health care industry regulation and third-party reimbursement laws including under any federal or state health care program, including but not limited to any Federal Health Care Program as defined in Section 1128B(f) of the U.S. Federal Social Security Act (together with all regulations promulgated thereunder, the "SSA"), and any similar Laws of any other jurisdiction. Since January 1, 2007, none of the Company or any of its Subsidiaries has received a notice or other written communication alleging or relating to a possible violation of any Law applicable to their businesses, operations, properties or assets or from a Governmental Entity seeking to investigate any such possible violation. The Company is not subject to any continuing liabilities, obligations or other consequences of any nature relating to any noncompliance by the Company with any Laws which occurred prior to January 1, 2007.

(b) Neither the Company nor any of its Subsidiaries is subject to any consent decree from any Governmental Entity. Neither the Company nor any of its Subsidiaries has received any warning letter from the U.S Food and Drug Administration (“FDA”) or equivalent action from any comparable non-U.S. Governmental Entity since January 1, 2007. Neither the Company nor any of its Subsidiaries has received any communication from any regulatory agency or been notified since January 1, 2007 that any product approval is withdrawn or modified or that such an action is under consideration. Without limiting the foregoing, the Company and each of its Subsidiaries is in compliance, in all material respects, with all current applicable statutes, rules, regulations, guidelines, policies or orders administered or issued by the FDA (“FDA Laws”) or comparable foreign Governmental Entity (“Foreign Drug Laws”) including the FDA’s Quality System Regulation, 21 C.F.R. Part 820. The Company does not have knowledge of any facts which furnish any reasonable basis for any Form FDA-483 observations or regulatory or warning letters from the FDA, Section 305 notices, or other similar communications from the FDA or comparable foreign entity. Since January 1, 2007, there have been no recalls, detentions, withdrawals, seizures, or termination or suspension of manufacturing requested or threatened relating to the Company’s or its Subsidiaries’ products, and no field notifications, field corrections or alerts.

(c) The Company’s and its Subsidiaries’ products, where required, are being marketed in all material respects under valid pre market notifications under Section 510(k) of the Federal Food, Drug and Cosmetic Act, 21 U.S.C. § 360(k), and 21 C.F.R. Part 807, Subpart E (“510(k)s”) or pre-market approval applications approved by the FDA in accordance with 21 U.S.C. § 360(e) and 21 C.F.R. Part 814 (“PMA’s”). All 510(k)’s and PMA’s for the Company’s and its Subsidiaries’ products are exclusively owned by the Company or one of its Subsidiaries, and to the knowledge of the Company, the FDA is not considering limiting, suspending, or revoking any such 510(k)’s or PMA’s or changing the marketing classification or labeling of any such products. To the Company’s knowledge, there is no false information or significant omission in any product application or product-related submission to the FDA or comparable foreign Governmental Entity. The Company and its Subsidiaries have obtained all necessary regulatory approvals from any foreign regulatory agencies related to the products distributed and sold by the Company, and the Company has not received any notice that any Governmental Entity seeks any additional conditions on the distribution or sale of products in a jurisdiction covered by a regulatory approval. To the Company’s knowledge, any third party that is a manufacturer, contractor, or agent for the Company or its Subsidiaries is in compliance with all Permits and regulatory approvals from the FDA or comparable Governmental Entity insofar as they pertain to the manufacture of product components or products for the Company or its Subsidiaries.

(e) Neither the Company nor any of its Subsidiaries (nor, to the knowledge of the Company, any of their respective directors, executives, representatives, agents or employees) (i) has used or is using any corporate funds for any illegal contributions, gifts, entertainment or other unlawful expenses relating to political activity, (ii) has used or is using any corporate funds for any direct or indirect unlawful payments to any foreign or domestic governmental officials or employees, (iii) has violated or is violating any provision of the Foreign Corrupt Practices Act of 1977, (iv) has established or maintained, or is maintaining, any unlawful fund of corporate monies or other properties or (v) has made any bribe, unlawful rebate, payoff, influence payment, kickback or other unlawful payment of any nature.

(f) The Company and each of its Subsidiaries have conducted their export transactions in accordance in all material respects with applicable provisions of U.S. export Laws (including the International Traffic in Arms Regulations, the Export Administration Regulations and the regulations administered by the Department of Treasury, Office of Foreign Assets Control (“OFAC”)), and other export Laws of the countries where it conducts business, and neither the Company nor any of its Subsidiaries has received any notices of noncompliance, complaints or warnings with respect to its compliance with export Laws. (c) The Company is not liable for, and the Company will not be liable for, any liability of any “ERISA Affiliate” (hereby defined to include any trade or business, whether or not incorporated, other than the Company, which has employees who are or have been at any date of determination occurring within the preceding six (6) years, treated pursuant to Section 4001(a)(14) of ERISA and/or Section 414 of the Code as employees of a single employer which includes the Company) including predecessors thereof) with regard to any Company Plan maintained, sponsored or contributed to by an ERISA Affiliate (if a like definition of Company Plan were applicable to the ERISA Affiliate in the same manner as it applies to the Company) (each such Company Plan for an ERISA Affiliate being an “ERISA Affiliate Plan”), including, without limitation: (i) withdrawal liability arising under Title IV, Subtitle E, Part 1 of ERISA; (ii) liabilities to the Pension Benefit Guaranty Corporation (“PBGC”); (iii) liabilities under Section 412 of the Code or Section 302(a)(2) of ERISA; (iv) liabilities resulting from the failure on the part of the Company, any ERISA Affiliate, each Company Plan or each Company Plan “sponsor” or “administrator” (within the meaning of Section 3(16) of ERISA) to comply in all respects with the applicable requirements of Section 4980B of the Code and Section 601 *et seq.* of ERISA; or (v) liabilities resulting from an ERISA Affiliate Plan’s failure to satisfy the reporting and disclosure requirements of ERISA and the Code.

(vi) any Contract that by its terms calls for aggregate payment or receipt by the Company and its Subsidiaries under such Contract of more than \$20,000 over the remaining term of such Contract;

(vii) any Contract pursuant to which the Company or any of its Subsidiaries has continuing indemnification (other than product warranties or real estate lease indemnities in the ordinary course of business consistent with past practice), guarantee, "earn-out" or other contingent payment obligations, in each case that could result in payments in excess of \$20,000;

(viii) any Contract that is a license agreement that is material to the business of the Company and its Subsidiaries, taken as a whole, pursuant to which the Company or any of its Subsidiaries grants or is granted a license under any Intellectual Property, other than license agreements for "off-the-shelf" software that is generally commercially available and is licensed in object code form solely for internal use purposes;

(ix) any Contract that provides for any material confidentiality, standstill or similar obligations on the Company or its Subsidiaries, except for such Contracts entered into in the ordinary course of business consistent with past practice;

Section 4.16(a) of the Company Disclosure Letter identifies any Material Contract that requires consent to or otherwise contains a provision relating to a “change of control,” or that would or would reasonably be expected to prevent, delay or impair the consummation of the transactions contemplated by this Agreement.

(b) (i) Each Material Contract is valid and binding on the Company and any of its Subsidiaries to the extent such Subsidiary is a party thereto, as applicable, and to the knowledge of the Company, each other party thereto, and is in full force and effect and enforceable in accordance with its terms (except to the extent that enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the enforcement of creditors' rights generally or by general principles of equity, and further limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies); and (ii) there is no default under any Material Contract by the Company or any of its Subsidiaries or, to the knowledge of the Company, any other party thereto, and no event or condition has occurred that constitutes, or, after notice or lapse of time or both, would constitute, a default on the part of the Company or any of its Subsidiaries or, to the knowledge of the Company, any other party thereto under any such Material Contract, nor has the Company or any of its Subsidiaries received any notice of any such default, event or condition. The Company has made available to Parent true and complete copies of all Material Contracts, including any amendments thereto.

Section 4.17 Insurance. Section 4.17 of the Company Disclosure Letter sets forth, as of the date hereof, a true and complete list of all insurance policies issued in favor of the Company or any of its Subsidiaries, or pursuant to which the Company or any of its Subsidiaries is a named insured or otherwise a beneficiary, as well as any historic occurrence-based policies still in force. With respect to each such insurance policy, (a) such policy is, to the knowledge of the Company, in full force and effect and all premiums due thereon have been paid, and (b) neither the Company nor any of its Subsidiaries is in breach or default, or has taken any action or failed to take any action which (with or without notice or lapse of time, or both) would constitute such a breach or default, or would permit cancellation or termination of, any such policy. No notice of cancellation or termination has been received with respect to any such policy.

Section 4.18 Properties.

(a) The Company or one of its Subsidiaries has good and valid title to, or in the case of leased property and leased tangible assets, a valid leasehold interest in, all of its assets constituting personal property (excluding, for purposes of this sentence, assets held under leases), free and clear of all Liens other than (i) statutory ad valorem and real estate and other Liens for current taxes and assessments not yet past due or the amount or validity of which is being contested in good faith by appropriate proceedings, (ii) mechanics', workmen's, repairmen's, landlord's, warehousemen's, carriers' or similar Liens arising in the ordinary course of business of the Company or such Subsidiary consistent with past practice (iii) encumbrances on real property in the nature of zoning restrictions, easements, rights of way, encroachments, restrictive covenants, and other similar rights or restrictions that were not incurred in connection with the borrowing of money or the obtaining of advances or credit and that do not, individually or in the aggregate, impair present business operations at such properties, (iv) existing Liens disclosed in the Company's consolidated balance sheet as at December 31, 2010 (or the notes thereto) included in the Company SEC Documents; and (v) any such matters of record, Liens and other imperfections of title that do not, individually or in the aggregate, impair the continued ownership, use and operation of the assets to which they relate in the business of the Company and its Subsidiaries as currently conducted (“Permitted Liens”).

(b) Section 4.18(b) of the Company Disclosure Letter sets forth a true and complete list of all real property owned by the Company or any of its Subsidiaries (“Owned Real Property”) and all property leased for the benefit of the Company or any of its Subsidiaries (“Leased Real Property”). Each of the Company and its Subsidiaries has (i) good and marketable title in fee simple to all Owned Real Property and (ii) good leasehold title to all Leased Real Property, in each case, free and clear of all Liens except Permitted Liens. No parcel of Owned Real Property or Leased Real Property is subject to any governmental decree or order to be sold or is being condemned, expropriated or otherwise taken by any public authority with or without payment of compensation therefor, nor, to the knowledge of the Company, has any such condemnation, expropriation or taking been proposed. All leases of Leased Real Property and all amendments and modifications thereto are in full force and effect, and there exists no default under any such lease by the Company, any of its Subsidiaries or any other party thereto, nor any event which, with notice or lapse of time or both, would constitute a default thereunder by the Company, any of its Subsidiaries or any other party thereto, except as, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. Assuming all consents, approvals and authorizations listed in Section 4.5 of the Company Disclosure Letter relating to any Leased Real Property have been obtained, all leases of Leased Real Property shall remain valid and binding in accordance with their terms following the Effective Time.

(c) There are no contractual or legal restrictions that preclude or materially restrict the ability to use any Owned Real Property or, to the knowledge of the Company, Leased Real Property by the Company or any of its Subsidiaries for the current or contemplated use of such real property. To the knowledge of the Company, there are no material latent defects or material adverse physical conditions affecting the Owned Real Property or Leased Real Property. All plants, warehouses, distribution centers, structures and other buildings on the Owned Real Property or Leased Real Property are adequately maintained in all material respects and are in good operating condition and repair for the requirements of the business of the Company and its Subsidiaries as currently conducted.

(d) Each of the Company and its Subsidiaries has complied with the terms of all leases to which it is a party, and all such leases are in full force and effect, except for any such noncompliance or failure to be in full force and effect that, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. Each of the Company and its Subsidiaries enjoys peaceful and undisturbed possession under all such leases, except for any such failure to do so that, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect.

This Section 4.18 does not relate to intellectual property, which is the subject of Section 4.19.

Section 4.19 Intellectual Property.

(a) As used herein, the term “Intellectual Property” means all intellectual property rights arising under the laws of the United States or any other jurisdiction, including the following: (i) trade names, trademarks and service marks (registered and unregistered), domain names, trade dress and similar rights and applications to register any of the foregoing (collectively, “Marks”); (ii) patents and patent applications and rights in respect of utility models or industrial designs and invention disclosures (collectively, “Patents”); (iii) copyrights, materials subject to copyright protection, and registrations and applications therefor (collectively, “Copyrights”); and (iv) know-how, inventions, discoveries, methods, processes, technical data, specifications, research and development information, technology, data bases and other proprietary or confidential information, including customer lists, in each case that derives economic value (actual or potential) from not being generally known to other persons who can obtain economic value from its disclosure, but excluding any Copyrights or Patents that cover or protect any of the foregoing (collectively, “Trade Secrets”).

(b) Section 4.19(b)(1) of the Company Disclosure Letter sets forth an accurate and complete list of all Marks owned by or licensed to the Company or any of its Subsidiaries, which list indicates any registered Marks that are licensed to the Company or its Subsidiaries but which are not being used in the current conduct of the Company's or its Subsidiaries' businesses (collectively, "Company Marks"), Section 4.19(b)(2) of the Company Disclosure Letter sets forth an accurate and complete list of all Patents owned by or licensed to the Company or any of its Subsidiaries, which list indicates any registered Patents that are licensed to the Company or its Subsidiaries but which are not being used in the current conduct of the Company's or its Subsidiaries' businesses (collectively, "Company Patents") and Section 4.19(b)(3) of the Company Disclosure Letter sets forth an accurate and complete list of all registered Copyrights owned by or exclusively licensed to the Company or any of its Subsidiaries, which list indicates any registered Copyrights that are licensed to the Company or its Subsidiaries but which are not being used in the current conduct of the Company's or its Subsidiaries' businesses (collectively, "Company Copyrights" and, together with the Company Marks and the Company Patents, "Company IP"). No Company IP owned by the Company or any of its Subsidiaries or, to knowledge of the Company, exclusively licensed to the Company or any of its Subsidiaries has been or is now involved in any interference, reissue, reexamination, opposition, nullity or cancellation proceeding and, to the knowledge of the Company, no such action is or has been threatened with respect to any of the Company IP. The Company IP owned by the Company or any of its Subsidiaries or, to knowledge of the Company, exclusively licensed to the Company or any of its Subsidiaries is subsisting. To the knowledge of the Company, the Company IP (excluding any pending applications included in the Company IP) is valid and enforceable and, except as set forth on Section 4.19(b)(4) of the Company Disclosure Letter, no written or, to the knowledge of the Company, oral notice or claim challenging the validity or enforceability or alleging the misuse of any of the Company IP has been received by the Company or any of its Subsidiaries. To the knowledge of the Company, neither the Company nor any of its Subsidiaries has taken any action or failed to take any action that would reasonably be expected to result in the abandonment, cancellation, forfeiture, relinquishment, invalidation or unenforceability of any of the Company IP, and all filing, examination, issuance, post registration and maintenance fees, annuities and the like that have come due and are required to maintain, preserve or renew any of the Company IP owned by the Company or any of its Subsidiaries or, to knowledge of the Company, exclusively licensed to the Company or any of its Subsidiaries have been timely paid. Except as set forth on Section 4.19(b)(5) of the Company Disclosure Letter, with respect to the Company IP owned by the Company or any of its Subsidiaries, and to the knowledge of the Company with respect to the Company IP exclusively licensed to the Company or any of its Subsidiaries, there are no filings, payments or other actions that were required to have been or are required to be made or taken by March 25, 2011, including the payment of any registration, maintenance or renewal fees or the filing of any responses to office actions, documents, applications or certificates, for the purposes of complying with legal requirements to obtain, maintain, preserve or renew any Company IP.

(c) The Company and its Subsidiaries have taken commercially reasonable steps to protect their rights in the Intellectual Property owned by the Company or its Subsidiaries and maintain the confidentiality of all of the Trade Secrets of the Company or its Subsidiaries. All current or former employees, consultants and contractors who have participated in the creation of any Intellectual Property that is used by or that is intended to be used by the Company or its Subsidiaries have entered into proprietary information, confidentiality and assignment agreements (which have previously been provided to Parent).

(d) The Company or its Subsidiaries own, or possess adequate licenses or other valid rights to use, all of the Intellectual Property that is necessary for the conduct of the Company's and its Subsidiaries' businesses. None of the Intellectual Property owned by or, to the knowledge of the Company, licensed to, the Company or its Subsidiaries is subject to any outstanding order, judgment, or stipulation restricting the use or exploitation thereof by the Company or its Subsidiaries.

(e) The execution, delivery and performance by the Company of this Agreement, and the consummation of the transactions contemplated hereby, will not result in the loss or impairment of, or give rise to any right of any third party to terminate or re-price or otherwise modify any of the Company's or any of its Subsidiaries' rights or obligations under any Material Contract as defined in Section 4.16(a)(viii) of this Agreement. The rights licensed under each agreement granting to the Company or any of its Subsidiaries, as the case may be, any material right or license under or with respect to any Intellectual Property owned by a third party shall be exercisable by the Surviving Corporation or such Subsidiary, respectively, on and immediately after the Closing to the same extent as by the Company or such Subsidiary prior to the Closing. Neither the Company nor any of its Subsidiaries has granted to any third party any rights under any Intellectual Property owned by the Company or its Subsidiaries. All milestones and other conditions set forth in any license agreements under which Intellectual Property is licensed to the Company or any of its Subsidiaries that are required to be satisfied in order for the Company or such Subsidiary to retain any rights granted under such agreements have been timely satisfied and all such exclusive or non-exclusive rights remain in full force and effect.

(f) The Company or one or more of its Subsidiaries owns exclusively all right, title and interest to the Company IP (other than Company IP licensed to the Company or any of its Subsidiaries) and all other Intellectual Property purportedly owned by the Company or any of its Subsidiaries, free and clear of all Liens other than Permitted Liens, and neither the Company nor any of its Subsidiaries has received any written or, to the knowledge of the Company, oral notice or claim challenging the Company's or such Subsidiary's ownership of any of such Intellectual Property. To the knowledge of the Company, no loss, impairment or expiration of any Intellectual Property rights used in the Company's and the Subsidiaries' business as currently conducted is pending or threatened.

(g) To the knowledge of the Company, the conduct of the Company's and the Subsidiaries' business as currently conducted, including the use or other exploitation of the Intellectual Property owned by the Company or any of its Subsidiaries, has not infringed, misappropriated, diluted or violated, and does not infringe, misappropriate, dilute or violate any Intellectual Property of any third party or constitute unfair competition or unfair trade practices under the laws of any jurisdiction, and neither the Company nor any of its Subsidiaries has received any written or, to the knowledge of the Company, oral notice or claim asserting or suggesting that any such infringement, misappropriation, violation, dilution, unfair competition or unfair trade practice has occurred, nor, to the knowledge of the Company, is there any reasonable basis therefor. To the knowledge of the Company, (i) no third party is misappropriating or infringing any Intellectual Property owned by or exclusively licensed to the Company or its Subsidiaries and (ii) no current or former employee or consultant of the Company nor any third party has made any unauthorized disclosure of any Trade Secrets of the Company or its Subsidiaries.

(h) To the knowledge of the Company, at no time during the conception of or reduction to practice of any Intellectual Property owned by the Company or any of its Subsidiaries was any developer, inventor or other contributor to such Intellectual Property operating under any grants from any Governmental Entity or private source, performing research sponsored by any Governmental Entity or private source or subject to any employment agreement or invention assignment or nondisclosure agreement or other obligation with any third party, in each case that would impair or limit the Company's or any of its Subsidiaries' rights in such Intellectual Property. To the knowledge of the Company, there exist no inventions by current or former employees or consultants of the Company or any of its Subsidiaries made or otherwise conceived prior to their beginning employment or consultation with the Company or such Subsidiary that have been or are intended to be incorporated into any of the Company's Intellectual Property or products, other than any such inventions that have been validly and irrevocably assigned or licensed to the Company by written agreement.

(i) To the knowledge of the Company, there has been no prior use of any Company Mark adopted by the Company or any of its Subsidiaries by any third party that would confer upon such third party superior rights in such Company Mark.

Section 4.20 Products. Since January 1, 2007, neither the Company nor any of its Subsidiaries, nor, to the knowledge of the Company any distributor of the Company or any of its Subsidiaries, has received a claim for or based upon breach of product or service warranty or guaranty or similar claim, strict liability in tort, negligent design of product, negligent provision of services or any other allegation of liability, including or arising from the materials, design, testing, manufacture, packaging, labeling (including instructions for use), or sale of its products or from the provision of services, in each case that would not result in material liability to the Company and its Subsidiaries in excess of the warranty reserve reflected on the Company's balance sheet as of December 31, 2010.

Section 4.21 Accounts Receivable. All of the accounts and notes receivable of the Company and its Subsidiaries set forth on the books and records of the Company and its Subsidiaries (net of the applicable reserves reflected on the books and records of the Company and its Subsidiaries and in the Company's financial statements) (i) represent sales actually made or transactions actually effected in the ordinary course of business for goods or services delivered or rendered to unaffiliated customers in bona fide arm's length transactions, and (ii) constitute valid claims.

Section 4.22 Inventories. To the knowledge of the Company, all inventories of the Company and its Subsidiaries consist of items of merchantable quality and quantity usable or saleable (free of any material defect or deficiency) in the ordinary course of business, are saleable at the price customarily charged by the Company and its Subsidiaries therefor, conform to the specifications established therefor, and have been manufactured in accordance with applicable regulatory requirements. The quantities of all inventories, materials, and supplies of the Company and its Subsidiaries (net of the obsolescence reserves therefor shown in the Company's financial statements and determined in the ordinary course of business consistent with past practice) are not obsolete, damaged, slow-moving, defective, or excessive, and are reasonable and balanced in the circumstances of the Company and its Subsidiaries.

Section 4.23 State Takeover Statutes. Except as set forth on Section 4.23 of the Company Disclosure Letter, no "moratorium," "fair price," "business combination," "control share acquisition" or similar provision of any state statutory anti-takeover Law (collectively, "Takeover Laws") applies to this Agreement, the Offer or the Merger.

Section 4.24 No Rights Plan. Except as set forth on Section 4.24 of the Company Disclosure Letter, there is no stockholder rights plan, "poison pill" anti-takeover plan or other similar device in effect to which the Company is a party or is otherwise bound (any such plan, a "Rights Plan"). Prior to the date hereof, the Company has caused all Rights Plans, if any, to be amended such that (a) Parent and Merger Sub are excluded from the definition of "Acquiring Person" and (b) neither the Offer nor the Merger will trigger the distribution or exercisability of any rights granted thereunder.

Section 4.25 Related Party Transactions. No present director, executive officer, stockholder owning five percent (5%) or more of the Company's Shares, or Affiliate of the Company or any of its Subsidiaries, nor, to the knowledge of the Company, or any of such Person's Affiliates or immediate family members (each of the foregoing, a "Related Party"), is a party to any Contract with or binding upon the Company or any of its Subsidiaries or any of their respective properties or assets or has any interest in any Owned Real Property or has engaged in any transaction with any of the foregoing within the last twelve (12) months or that has continuing obligations, in each case, that is of a type that would be required to be disclosed in the Company SEC Documents pursuant to Item 404 of Regulation S-K, and, to the knowledge of the Company, no former director or officer is party to any such Contract that was not entered into on an arms-length basis (an "Affiliate Transaction") that has not been so disclosed. To the knowledge of the Company, no Related Party of the Company or any of its Subsidiaries owns, directly or indirectly, on an individual or joint basis, any material interest in, or serves as an officer or director or in another similar capacity of, any supplier or other independent contractor of the Company or any of its Subsidiaries, or any organization which has a Contract with the Company or any of its Subsidiaries.

Section 4.26 Brokers. No broker, investment banker, financial advisor or other Person, other than B. Riley & Co., LLC (the “Financial Advisor”), the fees and expenses of which will be paid by the Company, is entitled to any broker’s, finder’s, financial advisor’s or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of the Company or any of its Affiliates. The Company has furnished to Parent a true and complete copy of any Contract between the Company and the Financial Advisor pursuant to which the Financial Advisor could be entitled to any payment from the Company relating to the transactions contemplated hereby. Section 4.26 of the Company Disclosure Letter sets forth (a) all transaction fees and expenses (whether payable to financial advisory, legal, accounting or other providers) that include a success fee or other premium or additional fee due as a result of execution and delivery of this Agreement or consummation of the transactions contemplated hereby.

Section 4.27 Opinion of Financial Advisor. The Company has received the opinion of the Financial Advisor, dated the date of this Agreement, to the effect that, subject to the assumptions, qualifications and other matters set forth therein, as of such date, the consideration to be received by the holders of Shares (other than as set forth in such opinion) pursuant to this Agreement, is fair, from a financial point of view, to such holders of Shares, other than Parent and Merger Sub, a signed true and complete copy of which opinion has been provided to Parent.

Section 4.28 Exclusivity of Representations and Warranties. Neither the Company nor any of its Affiliates or representatives is making any representation or warranty on behalf of the Company of any kind or nature whatsoever, oral or written, express or implied (including, but not limited to, any relating to financial condition, results of operations, prospects, assets or liabilities of the Company and its Subsidiaries), except as expressly set forth in Article IV of this Agreement (as qualified by the introductory paragraph to Article IV), and the Company hereby disclaims any and all such other representations and warranties. Without limiting the express representations and warranties in this Article IV (including any representations and warranties regarding documents delivered or made available to Parent), and without limiting the broad nature of the disclaimer set forth in the prior sentence, no representation or warranty is being made as a result of the Company making available to Parent and Merger Sub or any of their Affiliates any management presentations, information, documents, projections, forecasts and other material in a “data room” or otherwise.

ARTICLE V
REPRESENTATIONS AND WARRANTIES OF
PARENT AND MERGER SUB

Each representation and warranty in this Article V is made and given with the intention of inducing the Company to enter into this Agreement. Parent and the Merger Sub each jointly and severally represent and warrant to the Company as follows:

Section 5.1 Organization, Standing and Power. Each of Parent and Merger Sub (a) is a corporation duly organized, validly existing and in good standing under the Laws of the jurisdiction of its incorporation and (b) has the requisite corporate power and authority to own, lease and operate its properties and to carry on its business as now being conducted, except as, individually or in the aggregate, has not had and would not reasonably be expected to have a Parent Material Adverse Effect. For purposes of this Agreement, “Parent Material Adverse Effect” means any event, change, circumstance, occurrence, effect or state of facts that materially impairs the ability of Parent and Merger Sub to consummate, or prevents or materially delays, the Offer, the Merger or any of the other transactions contemplated by this Agreement or would reasonably be expected to do so; *provided, however*, that, Parent Material Adverse Effect shall not include any event, change, circumstance, occurrence, effect or state of facts to the extent arising out of or attributable to any of the following, either alone or in combination (1) generally affecting the industry in which Parent operates, or the economy or the financial or securities markets in the United States, including effects on such industry, economy or markets resulting from any regulatory or political conditions or developments in general, (2) any outbreak or escalation of hostilities or declared or undeclared acts of war or terrorism, weather, natural disasters or other force majeure events, (3) reflecting or resulting from changes in any Law or GAAP or interpretations thereof, (4) the announcement of the execution of this Agreement or the pendency of the Offer or the Merger or any other transactions contemplated by this Agreement, (5) compliance with the terms of, or the taking of any action required by, this Agreement, or the failure to take any action prohibited by this Agreement, or (6) any failure by Parent or its Subsidiaries to meet any internal or external budgets, projections, forecasts or predictions of financial performance.

Section 5.2 Authority. Each of Parent and Merger Sub has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement by Parent and Merger Sub and the consummation by Parent and Merger Sub of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of Parent and Merger Sub and no other corporate proceedings on the part of Parent or Merger Sub are necessary to approve this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by Parent and Merger Sub and, assuming the due authorization, execution and delivery by the Company, constitutes a valid and binding obligation of each of Parent and Merger Sub, enforceable against each of Parent and Merger Sub in accordance with its terms (except to the extent that enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the enforcement of creditors' rights generally or by general principles of equity).

Section 5.3 No Conflict; Consents and Approvals.

(a) The execution, delivery and performance of this Agreement by each of Parent and Merger Sub does not, and, assuming that all consents, approvals, authorizations and other actions described in this Section 5.3 have been obtained and all filings and obligations described in this Section 5.3 have been made, the consummation of the Offer and the Merger and compliance by each of Parent and Merger Sub with the provisions hereof will not, conflict with, or result in any violation or breach of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of, or result in, termination, cancellation, modification or acceleration of any obligation or to the loss of a material benefit under, or result in the creation of any Lien in or upon any of the properties, assets or rights of Parent or Merger Sub under, or give rise to any increased, additional, accelerated or guaranteed rights or entitlements under, or require any consent, waiver or approval of any Person pursuant to, any provision of (i) the certificate of incorporation or bylaws of Parent or Merger Sub, each as amended to date, (ii) any material Contract to which Parent or Merger Sub is a party by which Parent, Merger Sub or any of their respective properties or assets may be bound or (iii) subject to the governmental filings and other matters referred to in Section 5.3(b), any material Law or any rule or regulation of the NYSE applicable to Parent or Merger Sub or by which Parent, Merger Sub or any of their respective properties or assets may be bound.

(b) No consent, approval, order or authorization of, or registration, declaration, filing with or notice to, any Governmental Entity is required by or with respect to Parent or Merger Sub in connection with the execution, delivery and performance of this Agreement by Parent and Merger Sub or the consummation by Parent and Merger Sub of the Merger and the other transactions contemplated hereby or compliance with the provisions hereof, except for (i) such filings and reports as required pursuant to the applicable requirements of the Securities Act, the Exchange Act and any other applicable state or federal securities, takeover and "blue sky" laws, (ii) the filing of the Florida Certificate of Merger with the Florida Secretary of State as required by the Florida Act, (iii) any filings required under the rules and regulations of the NYSE, (iv) such filings and consents as may be required under any environmental, health or safety law or regulation pertaining to any notification, disclosure or required approval triggered by the Merger or by the transactions contemplated by this Agreement, and (v) such other consents, approvals, orders, authorizations, registrations, declarations, filings or notices the failure of which to be obtained or made, individually or in the aggregate, have not had and would not reasonably be expected to have a Parent Material Adverse Effect.

Section 5.4 Certain Information. The Offer Documents will not, at the times they are first filed with the SEC, amended or supplemented or first published, sent or given to the Stockholders, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading. The Offer Documents will, at the times they are first filed with the SEC, at the times they are amended or supplemented and as of as of the date first published, sent or given to the Stockholders, comply as to form in all material respects with the provisions of the Exchange Act. Notwithstanding the foregoing, neither Parent nor Merger Sub makes any representation or warranty with respect to statements included or incorporated by reference in the Offer Documents based on information supplied by or on behalf of the Company, any of its Subsidiaries or Affiliates specifically for inclusion or incorporation by reference therein. None of the information supplied or to be supplied by or on behalf of Parent or Merger Sub specifically for inclusion in the Schedule 14D-9 or the Proxy Statement will, at the respective times they are first published, sent or given to the Stockholders and, in the case of the Proxy Statement, at the time of the Company Stockholders' Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading. Notwithstanding the foregoing, neither Parent nor Merger Sub makes any representation or warranty with respect to statements included or incorporated by reference in the Schedule 14D-9 or the Proxy Statement based on information supplied by or on behalf of Company specifically for inclusion or incorporation by reference therein.

Section 5.5 Merger Sub. All of the issued and outstanding capital stock of Merger Sub is owned directly by Parent.

Section 5.6 Financing. Parent and Merger Sub will have, as of the respective dates of consummation of the Offer and the Merger, sufficient funds to consummate the Offer and the Merger on the terms and subject to the conditions set forth herein.

Section 5.7 Vote/Approval Required. No vote or consent of the holders of any class or series of capital stock of Parent is necessary to approve this Agreement or the Merger or the other transactions contemplated hereby. The vote or consent of Parent as the sole shareholder of Merger Sub (which shall have occurred prior to the Effective Time) is the only vote or consent of the holders of any class or series of capital stock of Merger Sub necessary to approve this Agreement, the Offer and the Merger.

Section 5.8 Ownership of Shares. Except as previously disclosed to the Company, neither Parent nor Merger Sub or any of their Subsidiaries beneficially owns any Shares as of the date hereof.

Section 5.9 Brokers. No broker, investment banker, financial advisor or other Person, other than Piper Jaffray & Co., the fees and expenses of which will be paid by Parent, is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent or any of its Affiliates.

Section 5.10 Exclusivity of Representations and Warranties. None of Parent, Merger Sub, nor any of their Affiliates or representatives is making any representation or warranty to the Company on behalf of Parent or Merger Sub of any kind or nature whatsoever, oral or written, express or implied (including, but not limited to, any relating to financial condition, results of operations, prospects, assets or liabilities of Parent and its Subsidiaries), except as expressly set forth in Article V of this Agreement, and Parent and Merger Sub hereby disclaim any and all such other representations and warranties to the Company. Without limiting the express representations and warranties in this Article V, and without limiting the broad nature of the disclaimer set forth in the prior sentence, no representation or warranty is being made as a result of Parent's making available to the Company or any of its Affiliates, Stockholders or Representatives any management presentations, information, documents, projections, forecasts and other material in a "data room" or otherwise. Nothing in this Section 5.10 is intended to mitigate Parent's obligations under applicable securities Laws.

Section 6.2 No Solicitation.

(a) Notwithstanding any other provision of this Agreement to the contrary, during the period beginning on the date of this Agreement and continuing until 11:59 p.m., Eastern time, on April 17, 2011, the Company and any of its Subsidiaries and their respective officers, directors, employees, consultants, agents, financial advisors, attorneys, accountants, other advisors, Affiliates and other representatives (collectively, "Representatives") shall have the right to directly or indirectly: (i) initiate, solicit and encourage, whether publicly or otherwise, Acquisition Proposals (or inquiries, proposals or offers or other efforts or attempts that may reasonably be expected to lead to an Acquisition Proposal), including by way of providing access to non-public information pursuant to (but only pursuant to) one or more Acceptable Confidentiality Agreements; *provided*, that the Company shall promptly (and in any event within forty-eight (48) hours) provide to Parent any material non-public information concerning the Company or any of its Subsidiaries that is provided to any Person given such access which was not previously provided to Parent or its Representatives; and (ii) enter into, engage in, and maintain discussions or negotiations with respect to Acquisition Proposals (or inquiries, proposals or offers or other efforts or attempts that may reasonably be expected to lead to an Acquisition Proposal) or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, offers, efforts, attempts, discussions or negotiations.

(b) Except as permitted by this Section 6.2 and except as may relate to any Excluded Party (for as long as such Person or group is an Excluded Party), the Company shall and shall cause each of its Subsidiaries and Representatives to (i) from 12:00 a.m., Eastern time, on April 18, 2011 (the "No-Shop Period Start Date"), immediately cease any solicitation, encouragement, discussions or negotiations with any Persons that may be ongoing with respect to an Acquisition Proposal and (ii) from the No-Shop Period Start Date until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, not, directly or indirectly, (A) solicit, initiate or knowingly facilitate or encourage (including by way of furnishing non-public information) any inquiries regarding, or the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, an Acquisition Proposal, (B) engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other Person any non-public information in connection with or for the purpose of encouraging or facilitating, an Acquisition Proposal or (C) enter into any letter of intent, agreement or agreement in principle with respect to an Acquisition Proposal. No later than two (2) Business Days after the No-Shop Period Start Date, the Company shall notify Parent in writing of the identity of each Person that submitted an Acquisition Proposal prior to the No-Shop Period Start Date. Notwithstanding the commencement of the obligations of the Company under this Section 6.2(b) on the No-Shop Period Start Date, the parties agree that the Company may continue to engage in the activities described in clause (i) and/or (ii) of Section 6.2(a) with respect to each Excluded Party (for as long as any such Person or group is an Excluded Party) on and after the No-Shop Period Start Date until the earlier of the time (A) the Company Stockholder Approval is obtained and (B) it ceases to be an Excluded Party, including with respect to any amended or revised proposal submitted by such Excluded Party on or after the No-Shop Period Start Date; *provided* that to the extent set forth therein, the provisions of Section 6.2(e) shall apply; and *provided, further*, that with respect to any Excluded Party, the Company shall promptly provide to Parent a written summary of the material terms of any such Acquisition Proposal (including any financing commitments).

(c) Notwithstanding anything to the contrary contained in Section 6.2(b) or any other provisions of this Agreement, if at any time on or after the No-Shop Period Start Date and prior to obtaining the Company Stockholder Approval, the Company or any of its Representatives receives a written Acquisition Proposal from any Person or group of Persons, which Acquisition Proposal was made by an Excluded Party or which Acquisition Proposal was made or renewed on or after the No-Shop Period Start Date and did not result from any breach of this Section 6.2, (i) the Company and its Representatives may contact such Person or group of Persons to clarify the terms and conditions thereof and (ii) if the Company Board determines in good faith, after consultation with independent financial advisors and outside legal counsel, that such Acquisition Proposal constitutes or could reasonably be expected to lead to a Superior Proposal, then the Company and its Representatives may (x) furnish, pursuant to an Acceptable Confidentiality Agreement, information (including non-public information) with respect to the Company and its Subsidiaries to the Person or group of Persons who has made such Acquisition Proposal; *provided* that the Company shall promptly (and in any event within forty eight (48) hours) provide to Parent any material non-public information concerning the Company or any of its Subsidiaries that is provided to any Person given such access which was not previously provided to Parent or its Representatives and (y) engage in or otherwise participate in discussions or negotiations with the Person or group of Persons making such Acquisition Proposal. From and after the No-Shop Period Start Date, the Company shall promptly (and in any event within forty eight (48) hours) provide to Parent a written summary of the material terms of any such Acquisition Proposal (including any financing commitments relating thereto).

(d) Following the No-Shop Period Start Date, the Company shall keep Parent reasonably informed of any material developments, discussions or negotiations regarding any Acquisition Proposal (whether made before or after the No-Shop Period Start Date) on a prompt basis (and in any event within forty eight (48) hours) and upon the request of Parent shall apprise Parent of the status of such Acquisition Proposal. The Company agrees that it and its Subsidiaries will not enter into any confidentiality agreement with any Person subsequent to the date hereof which prohibits the Company from providing any information to Parent in accordance with this [Section 6.2](#).

(e) Except as expressly permitted by this [Section 6.2\(e\)](#) or [Section 6.2\(f\)](#), the Company Board shall not (i)(A) fail to recommend to its stockholders that the Company Stockholder Approval be given (the "[Company Board Recommendation](#)") or fail to include the Company Board Recommendation in the Proxy Statement, the Schedule 14D-9 or related filings, (B) change, qualify, withhold, withdraw or modify, or publicly propose to change, qualify, withhold, withdraw or modify, in a manner adverse to Parent, the Company Board Recommendation, (C) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer (other than the Offer) other than a recommendation against such offer or a customary "stop, look and listen" communication by the Board of Directors of the Company pursuant to Rule 14d-9(f) of the Exchange Act or (D) adopt, approve or recommend, or publicly propose to approve or recommend to the Stockholders an Acquisition Proposal (actions described in this clause (i) being referred to as an "[Adverse Recommendation Change](#)"), (ii) authorize, cause or permit the Company or any of its Subsidiaries to enter into any letter of intent, agreement or agreement in principle with respect to any Acquisition Proposal (other than an Acceptable Confidentiality Agreement) (each, a "[Company Acquisition Agreement](#)") or (iii) take any action pursuant to [Section 8.1\(d\)\(ii\)](#). Notwithstanding anything to the contrary set forth in this Agreement, prior to the time the Company Stockholder Approval is obtained, but not after, the Company Board may make an Adverse Recommendation Change, enter into a Company Acquisition Agreement with respect to an Acquisition Proposal not solicited in violation of this [Section 6.2](#) or take any action pursuant to [Section 8.1\(d\)\(ii\)](#) if the Company Board has determined in good faith, after consultation with its financial advisor and outside legal counsel, (x) that failure to take such action could be inconsistent with the directors' fiduciary duties under applicable Law and (y) that such Acquisition Proposal constitutes a Superior Proposal; *provided, however*, that (1) the Company has given Parent at least five (5) Business Days' prior written notice of its intention to take such action (which notice shall include an unredacted copy of the Superior Proposal, an unredacted copy of the relevant proposed transaction agreements and a copy of any financing commitments relating thereto and a written summary of the material terms of any Superior Proposal not made in writing, including any financing commitments relating thereto), (2) the Company has negotiated, and has caused its Representatives to negotiate, with Parent during such notice period, to the extent Parent wishes to negotiate, to enable Parent to propose revisions to the terms of this Agreement such that it would cause such Superior Proposal to no longer constitute a Superior Proposal, (3) following the end of such notice period, the Company Board shall have considered in good faith any proposed revisions to this Agreement proposed in writing by Parent in a manner that would form a binding contract if accepted by the Company, and shall have determined that the Superior Proposal would continue to constitute a Superior Proposal if such revisions were to be given effect, and (4) in the event of any material change to the material terms of such Superior Proposal, the Company shall, in each case, have delivered to Parent an additional notice consistent with that described in clause (1) above and the notice period shall have recommenced, except that the notice period shall be at least (1) one business day (rather than the five (5) Business Days otherwise contemplated by clause (1) above); and *provided, further*, that the Company has complied in all material respects with its obligations under this [Section 6.2](#) and *provided, further*, that any purported termination of this Agreement pursuant to this sentence shall be void and of no force and effect, unless the Company termination is in accordance with [Section 8.1](#) and, to the extent required under the terms of this Agreement, the Company pays Parent the applicable Termination Fee in accordance with [Section 8.3](#) prior to or concurrently with such termination.

(f) Notwithstanding anything to the contrary herein, prior to the time the Company Stockholder Approval is obtained, but not after, the Company Board may change, qualify, withhold, withdraw or modify, or publicly propose to change, qualify, withhold, withdraw or modify, in a manner adverse to Parent, the Company Board Recommendation (“Change of Recommendation”) if the Board of Directors of the Company has determined in good faith, after consultation with its financial advisor and outside legal counsel, that failure to take such action could be inconsistent with the directors’ fiduciary duties under applicable Law; *provided, however*, that such action shall not be in response to a Superior Proposal (which is addressed under Section 6.2(e)) and prior to taking such action, (x) the Board of Directors of the Company has given Parent at least five (5) Business Days’ prior written notice of its intention to take such action and a description of the reasons for taking such action, (y) the Company has negotiated, and has caused its Representatives to negotiate, with Parent during such notice period, to the extent Parent wishes to negotiate, to enable Parent to revise the terms of this Agreement in such a manner that would obviate the need for taking such action, and (z) following the end of such notice period, the Company Board shall have considered in good faith any revisions to this Agreement proposed in writing by Parent in a manner that would form a binding contract if accepted by the Company, and shall have determined in good faith, after consultation with its financial advisor and outside legal counsel, that failure to effect a Change of Recommendation could be inconsistent with the directors’ fiduciary duties under applicable Law.

(g) Nothing in this Section 6.2 or elsewhere in this Agreement shall prohibit the Company from (i) taking and disclosing to the Stockholders a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act or (ii) making any disclosure to the stockholders of the Company that is required by applicable Law; *provided* that making such disclosure shall not in any way limit or modify the effect, if any, that any such action has under Section 6.2.

(h) For purposes of this Agreement:

(i) “Acceptable Confidentiality Agreement” means any customary confidentiality agreement that contains provisions that are no less favorable in the aggregate to the Company than those contained in the Confidentiality Agreement.

(ii) “Acquisition Proposal” shall mean any inquiry, proposal or offer from any Person (other than Parent and its Subsidiaries) or “group”, within the meaning of Section 13(d) of the Exchange Act, relating to, in a single transaction or series of related transactions, any (A) acquisition of assets of the Company and its Subsidiaries equal to 20% or more of the Company’s consolidated assets or to which 20% or more of the Company’s revenues or earnings on a consolidated basis are attributable, (B) acquisition of 20% or more of the outstanding Shares, (C) tender offer or exchange offer that if consummated would result in any Person beneficially owning 20% or more of the outstanding Shares, (D) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company or (E) any combination of the foregoing types of transactions if the sum of the percentage of consolidated assets, consolidated revenues or earnings and Company Common Stock involved is 20% or more; in each case, other than the Offer and the Merger.

(iii) “Excluded Party” means any Person, group of Persons or group that includes any Person (so long as such Person, together with all other members of such group, if any, who were members of such group or another group that included such Person immediately prior to the No-Shop Period Start Date, represent at least 50% of the equity financing of such group at all times following the No-Shop Period Start Date and prior to the termination of this Agreement) from whom the Company or any of its Representatives has received, after the execution of this Agreement and prior to the No-Shop Period Start Date, an Acquisition Proposal that the Company Board determines, in good faith, prior to or as of the No-Shop Period Start Date and after consultation with its financial advisor and outside legal counsel, constitutes or could reasonably be expected to lead to a Superior Proposal; *provided, however*, that, notwithstanding anything to the contrary contained herein, such Person or group shall cease to be an Excluded Party as of the No-Shop Period Start Date unless, prior to the No-Shop Period Start Date, the Company or any of its Representatives received from such Person or group an Acquisition Proposal that the Company Board determined, in good faith, prior to or as of the No-Shop Period Start Date and after consultation with its financial advisor and outside legal counsel, constituted a Superior Proposal; and *provided, further*, that any such Person or group shall cease to be an Excluded Party at any time such Person or group ceases to be actively pursuing efforts to acquire the Company.

(iv) “Superior Proposal” shall mean any bona fide written Acquisition Proposal that the Company Board has determined, after consultation with its outside legal counsel and financial advisor, in its good faith judgment is reasonably likely to be consummated in accordance with its terms, taking into account all legal, regulatory and financial aspects (including certainty of closing) of the proposal and the Person making the proposal, and if consummated, would result in a transaction more favorable to the Stockholders (solely in their capacity as such) from a financial point of view than the transaction contemplated by this Agreement (including any revisions to the terms of this Agreement proposed by Parent in response to such proposal or otherwise); provided that for purposes of the definition of “Superior Proposal”, the references to “20%” in the definition of Acquisition Proposal shall be deemed to be references to “50%.”

Section 6.3 Preparation of Proxy Statement; Stockholders’ Meeting.

(a) As promptly as practicable (but in no event later than seven (7) days after the Offer is commenced), the Company shall prepare and file with the SEC a preliminary Proxy Statement. Each of the Company and Parent shall furnish all information concerning such Person to the other as may be reasonably requested in connection with the preparation, filing and distribution of the Proxy Statement. The Company shall promptly notify Parent upon the receipt of any comments from the SEC or any request from the SEC for amendments or supplements to the Proxy Statement and shall provide Parent with copies of all correspondence between it and its Representatives, on the one hand, and the SEC, on the other hand, with respect to the Proxy Statement. Each of the Company and Parent shall use reasonable best efforts to respond as promptly as practicable to any comments of the SEC with respect to the Proxy Statement. Notwithstanding the foregoing, prior to filing or mailing the Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, the Company (i) shall provide Parent an opportunity to review and comment on such document or response (including the proposed final version of such document or response or any amendment to any such document) and (ii) shall include in such document or response all comments reasonably proposed by Parent. If, at any time prior to the Company Stockholders’ Meeting, any information relating to the Company, Parent or any of their respective Affiliates, officers or directors should be discovered by the Company or Parent which should be set forth in an amendment or supplement to the Proxy Statement, so that the Proxy Statement does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading, the party that discovers such information shall promptly notify the other parties hereto, and an appropriate amendment or supplement describing such information shall be filed with the SEC and, to the extent required by applicable Law or reasonably requested by the other party, and disseminated to the shareholders of the Company.

(b) As soon as reasonably practicable prior to, but in no event later than five (5) Business Days after, the date on which the preliminary Proxy Statement is filed with the SEC, the Company shall establish a record date (which will be one (1) Business Day after the anticipated Expiration Date of the Offer), and as soon as practicable after the closing of the Offer, duly call and give notice of a meeting of its shareholders (the “Company Stockholders’ Meeting”) and cause the definitive Proxy Statement to be mailed to the Stockholders as promptly as reasonably practicable, each for the purpose of obtaining the Company Stockholder Approval. The Company shall duly convene and hold the Company Stockholders’ Meeting as promptly as reasonably practicable after the mailing of the Proxy Statement; provided, however, that in no event shall such meeting be held later than fifteen (15) calendar days following the date that the Offer is closed. The notice of such Company Stockholders’ Meeting shall state that a resolution to approve this Agreement will be considered at the Company Stockholders’ Meeting. The Company Board shall recommend to the Stockholders that they approve this Agreement, and shall include such recommendation in the Proxy Statement. Parent may require the Company to, and if so required the Company shall, adjourn or postpone the Company Stockholders’ Meeting one time (for a period of not more than thirty (30) calendar days but not past two (2) Business Days prior to the Expiration Date), unless prior to such adjournment the Company shall have received an aggregate number of proxies voting for the adoption of this Agreement and the transactions contemplated hereby (including the Merger), which have not been withdrawn, such that the conditions in Section 7.1 will be satisfied at such meeting. Once the Company has established a record date for the Company Stockholders’ Meeting, the Company shall not change such record date or establish a different record date for the Company Stockholders’ Meeting without the prior written consent of Parent, unless required to do so by applicable Law or the Company Bylaws. Unless the Company Board shall have effected an Adverse Recommendation Change in accordance with Section 6.2(e), the Company shall use reasonable best efforts to solicit proxies in favor of the adoption of this Agreement and shall ensure that all proxies solicited in connection with the Company Stockholders’ Meeting are solicited in compliance with all applicable Laws. Unless this Agreement is validly terminated in accordance with Article VIII, the Company shall submit this Agreement to its shareholders at the Company Stockholders’ Meeting even if the Company Board shall have effected an Adverse Recommendation Change or proposed or announced any intention to do so. The Company shall, upon the reasonable request of Parent, advise Parent not more than on a daily basis on each of the last ten (10) Business Days prior to the date of the Company Stockholders’ Meeting as to the aggregate tally of proxies received by the Company with respect to the Company Stockholder Approval. At the Company Stockholders’ Meeting, if any, Parent agrees to cause all Shares acquired pursuant to the Offer and all other Shares owned by Parent or any Subsidiary of Parent to be voted in favor of the Merger.

(c) Notwithstanding the foregoing clauses (a) and (b), if following the expiration of the Offer or the exercise of the Top-Up Option, Parent, Merger Sub or any other direct or indirect Subsidiary of Parent shall collectively hold at least 90% of the outstanding Shares, each of Parent, Merger Sub and the Company shall (subject to Section 7.1) take all necessary and appropriate action to cause the Merger to become effective as soon as practicable after the consummation of the purchase of the Shares without a meeting of Stockholders of the Company, in accordance with Section 1110 of the CGCL.

Section 6.4 Access to Information; Confidentiality. The Company shall, and shall cause each of its Subsidiaries to, afford to Parent, Merger Sub and their respective Representatives reasonable access during normal business hours, during the period prior to the Effective Time or the termination of this Agreement in accordance with its terms, to all their respective properties, assets, books, contracts, commitments, personnel and records and, during such period, the Company shall, and shall cause each of its Subsidiaries to, furnish promptly to Parent: (a) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal or state securities laws; and (b) all other information concerning its business, properties and personnel as Parent or Merger Sub may reasonably request (including Tax Returns filed and those in preparation and the workpapers of its auditors); provided, however, that the foregoing shall not require the Company to disclose any information to the extent such disclosure would (i) contravene applicable Law, (ii) breach or cause a default under any confidentiality agreement with any third party entered into prior to the date hereof that relate to any discussions regarding transactions of a nature similar to the transactions contemplated hereby (provided that disclosures required pursuant to Section 6.2 with respect to a party to any such confidentiality agreement or any proposals they may make shall not be limited by this Section 6.4), or (iii) constitute a waiver of the attorney-client privilege held by the Company or any of its Subsidiaries. All such information shall be held confidential in accordance with the terms of that certain CryoLife, Inc. Mutual Confidential Disclosure Agreement between Parent and the Company dated as of September 29, 2010 (the “Confidentiality Agreement”); provided, further, that following the date on which the Merger is approved, the parties agree that any information request by Parent, Merger Sub or their respective Representatives pursuant to this Section 6.4 shall be deemed to be reasonable for purposes of clause (b) above. No investigation pursuant to this Section 6.4 or information provided, made available or delivered to Parent pursuant to this Agreement shall affect any of the representations, warranties, covenants, rights or remedies, or the conditions to the obligations of, the parties hereunder.

Section 6.5 Reasonable Best Efforts

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the parties agrees to use reasonable best efforts to take, or cause to be taken, all actions that are necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Offer, the Merger and the other transactions contemplated by this Agreement, including using reasonable best efforts to accomplish the following: (i) obtain all required consents, approvals or waivers from, or participation in other discussions or negotiations with, third parties, including as required under any Material Contract, (ii) obtain all necessary actions or nonactions, waivers, consents, approvals, orders and authorizations from Governmental Entities, make all necessary registrations, declarations and filings and take all steps as may be necessary to obtain an approval or waiver from, or to avoid any Action by, any Governmental Entity, (iii) vigorously resist and contest any Action, including administrative or judicial Action, and seek to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order (whether temporary, preliminary or permanent) that is in effect and that could restrict, prevent or prohibit consummation of the transactions contemplated hereby, including, without limitation, by vigorously pursuing all avenues of administrative and judicial appeal, and (iv) execute and deliver any additional instruments necessary to consummate the transactions contemplated hereby and fully to carry out the purposes of this Agreement; *provided, however*, that neither the Company nor any of its Subsidiaries shall commit to the payment of any material fee, penalty or other consideration or make any other material concession, waiver or amendment under any Contract in connection with obtaining any consent without the prior written consent of Parent. Each of the parties hereto shall furnish to each other party such necessary information and reasonable assistance as such other party may reasonably request in connection with the foregoing. Subject to applicable Law relating to the exchange of information, Parent and the Company shall have the right to review in advance, and to the extent practicable each shall consult with the other in connection with, all of the information relating to Parent or the Company, as the case may be, and any of their respective Subsidiaries, that appears in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Offer, the Merger and the other transactions contemplated by this Agreement. In exercising the foregoing rights, each of Parent and the Company shall act reasonably and as promptly as practicable. Subject to applicable Law and the instructions of any Governmental Entity, the Company and Parent shall keep each other reasonably apprised of the status of matters relating to the completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notices or other written communications received by the Company or Parent, as the case may be, or any of their respective Subsidiaries, from any Governmental Entity and/or third party with respect to such transactions, and, to the extent practicable under the circumstances, shall provide the other party and its counsel with the opportunity to participate in any meeting with any Governmental Entity in respect of any filing, investigation or other inquiry in connection with the transactions contemplated hereby.

(b) Notwithstanding any other provision of this Agreement to the contrary, in no event shall Parent or any of its Affiliates be required to (i) agree or proffer to divest or hold separate (in a trust or otherwise), or take any other action with respect to, any of the assets or businesses of Parent or any of its Affiliates or, assuming the consummation of the Merger, the Surviving Corporation or any of its Affiliates, (ii) agree or proffer to limit in any manner whatsoever or not to exercise any rights of ownership of any securities (including the Shares) or (iii) enter into any agreement that in any way limits the ownership or operation of any business of Parent, the Company, the Surviving Corporation or any of their respective Affiliates, in each case if such action would be material to the business and financial condition of Parent and its Subsidiaries (including the Company) taken as a whole after consummation of the Offer and the Merger.

Section 6.6 Takeover Laws. The Company and the Company Board shall (i) take no intentional action to cause any Takeover Law to become applicable to this Agreement, the Offer, the Merger or any of the other transactions contemplated hereby and (ii) if any Takeover Law is or becomes applicable to this Agreement, the Offer, the Merger or any of the other transactions contemplated hereby, use reasonable best efforts to take all action necessary to ensure that the Offer, the Merger and the other transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such Takeover Law with respect to this Agreement, the Offer, the Merger and the other transactions contemplated hereby.

Section 6.7 Notification of Certain Matters. The Company and Parent shall promptly notify each other of (a) any notice or other communication received by such party from any Governmental Entity in connection with the Offer, the Merger or the other transactions contemplated hereby or from any Person alleging that the consent of such Person is or may be required in connection with the Offer, the Merger or the other transactions contemplated hereby, (b) any other notice or communication from any Governmental Entity in connection with the transactions contemplated hereby, or (c) any Action commenced or, to such party's knowledge, threatened in writing against, relating to or involving or otherwise affecting such party or any of its Subsidiaries which relates to the Offer, the Merger or the other transactions contemplated hereby.

Section 6.8 Indemnification, Exculpation and Insurance.

(a) Without limiting any additional rights that any current or former officer or director may have under the Company Charter or Company Bylaws as in effect on the date of this Agreement, from the Effective Time through the sixth (6th) anniversary of the date on which the Effective Time occurs, the Surviving Corporation shall indemnify and hold harmless each current (as of the Effective Time) and each former officer and director of the Company from and against any and all loss and liability suffered and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred by such person in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that the indemnified Person is or was an officer, director, employee or fiduciary of the Company or any of its Subsidiaries at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that the Company would be permitted under applicable Law and required or permitted under the Company Charter or Company Bylaws (or, as relevant, those of the applicable Subsidiary of the Company) as at the date hereof. In the event of any such Action, each indemnified Person shall be entitled to advancement of expenses incurred in the defense of any Action from the Surviving Corporation to the fullest extent that the Company would be permitted under applicable Law and the Company Charter or Company Bylaws as at the date hereof. Notwithstanding anything to the contrary herein (but subject to any superior rights contained in the Company Charter or Company Bylaws (or, as relevant, those of the applicable Subsidiary of the Company) or applicable indemnification agreements to which the Company or its Subsidiaries, as applicable, is a party), prior to making any payment or advance in respect of the indemnification obligations set forth in this Section 6.8, the Person who is requesting such advance shall provide a written affirmation by such Person of a good faith belief that the criteria for indemnification set forth under applicable Law have been satisfied and a written undertaking by such Person to repay all amounts so paid or reimbursed by the Surviving Corporation, if it is ultimately determined that the criteria for indemnification have not been satisfied in connection with any threatened, pending, or completed civil, criminal, administrative, arbitration or investigative proceeding to which such Person is, or is threatened to be, made a party by reason of the former or present official capacity of such Person. No such indemnified Person shall settle, compromise or consent to the entry of any judgment in any threatened or actual Action for which indemnification could be sought by such indemnified Person hereunder unless Parent consents in writing to such settlement, compromise or consent (which consent shall not be unreasonably withheld, conditioned or delayed). Surviving Corporation agrees to continue and not to repeal or modify, and agree to include, to the extent permitted by applicable Law, in the charter documents for the Surviving Corporation, exculpatory provisions currently existing in the Company Charter (or their substantial equivalent) eliminating personal liability for the Company's directors to the extent permissible under the CGCL.

(b) For a period of six (6) years after the Effective Time, Parent shall cause to be maintained in effect the Company's current directors' and officers' liability insurance covering each Person currently covered by the Company's directors' and officers' liability insurance policies (correct and complete copies of which have been heretofore made available to Parent) for acts or omissions occurring prior to the Effective Time; *provided*, that Parent may (i) substitute thereof policies of an insurance company the material terms of which, including coverage and amount, are no less favorable in any material respect to such directors and officers than the Company's existing policies as of the date hereof or (ii) request that the Company obtain such extended reporting coverage under its existing insurance programs (to be effective as of the Effective Time); and *provided, further*, that in no event shall Parent or the Company be required to pay aggregate premiums for insurance under this Section 6.8(b) in excess of 150% of the amount of the aggregate premiums paid by the Company for policy year 2009-2010 for such purpose (which policy year 2009-2010 premiums are hereby represented and warranted by the Company to be as set forth in Section 6.8(b) of the Company Disclosure Letter), it being understood that Parent shall nevertheless be obligated to provide such coverage as may be obtained for such 150% amount.

(c) In the event that Parent, the Surviving Corporation or any of their successors or assigns shall (i) consolidate with or merge into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all its properties and assets to any Person, then, and in each such case, Parent shall cause proper provision to be made so that the successor and assign of Parent or the Surviving Corporation assumes the obligations set forth in this Section 6.8.

(d) It is the intent that, with respect to all advancement and indemnification obligations under this Section 6.8, the Surviving Corporation shall be the indemnitor of first resort with respect to any advancement, reimbursement or indemnification obligations relative to any director or officer of the Company who may also be covered by insurance maintained by a Stockholder at or prior to the Effective Time. Without limiting the right of recovery against such director or officer if it shall be ultimately determined that he or she is not entitled to be indemnified, neither Parent nor the Surviving Corporation shall have any right to seek contribution, indemnity or other reimbursement for any of its obligations under this Section 6.8 from any such Stockholder or its insurers.

(e) The provisions of this Section 6.8 shall survive consummation of the Merger and are intended to be for the benefit of, and will be enforceable by, each indemnified Person, his or her heirs and his or her legal representatives, and each such Person shall be an intended third party beneficiary of the provisions of this Section 6.8.

Section 6.9 Public Announcements.

(a) Each of Parent and Merger Sub, on the one hand, and the Company, on the other hand, shall consult with each other before issuing, and give each other a reasonable opportunity to review and comment upon, any press release or other public statements (including announcements to the employees of the Company and its Subsidiaries) with respect to this Agreement, the Offer, the Merger and the other transactions contemplated hereby and shall not issue any such press release or make any public announcement (including announcements to the employees of the Company and its Subsidiaries) without the prior consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed, except as may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system; *provided*, that Parent or the Company may include disclosures relating to this Agreement, the Offer, the Merger and the transactions contemplated herein in its respective periodic filings with the SEC without seeking consent from, or consulting with, the other party, so long as such disclosures are not inconsistent with the information contained in previous press releases, public disclosures or public statements made jointly by Parent and the Company (or made individually by the Company or Parent, if previously consented to by the other party); *provided, further*, that each of Parent and the Company may make any public statement in response to specific questions by the press, analysts, investors or those attending industry conferences or financial analyst conference calls, so long as such statements are not inconsistent with the information contained in previous press releases, public disclosures or public statements made jointly by Parent and the Company (or individually by a party, if previously consented to by the other party); *provided, finally*, that the Company shall not be required to provide Parent any such opportunity to review or comment in connection with the receipt and existence of an Acquisition Proposal and matters related thereto or an Adverse Recommendation Change or other communications contemplated by Section 6.2(e).

(b) Before any written communications related to the Offer of any party hereto or any of their respective “participants” (as defined in Rule 165 of the Securities Act) are (i) disseminated to any investor, analyst, member of the media, employee, client, customer or other third-party or otherwise made accessible on the website of such party or any such participant, as applicable (whether in written, video or oral form via webcast, hyperlink or otherwise), or (ii) used by any executive officer, key employee or advisor of such party or any such participant, as applicable, as a script in discussions or meetings with any such third parties, Parent or the Company, as the case may be, shall (or shall cause any such participant to) cooperate in good faith with respect to any such written communications related to the Offer for purposes of, among other things, determining whether that communication constitutes “tender offer material” that is required to be filed by Rule 14d-2 or Rule 14d-6 of the Exchange Act, as applicable, or a prospectus required to be filed pursuant to Rule 424 or 425 of the Securities Act. Each party shall (or shall cause any such participant to) give reasonable and good faith consideration to any comments made by the other such party or parties and their counsel on any such written communications related to the Offer. For purposes of the foregoing, written communications related to the Offer shall include, with respect to any Person, any document or other written communication prepared by or on behalf of that Person, or any document or other material or information posted or made accessible on the website of that Person (whether in written, video or oral form via webcast, hyperlink or otherwise).

Section 6.10 Section 16 Matters. Prior to the Effective Time, the Company Board shall take all such steps as may be necessary or appropriate to cause the transactions contemplated by this Agreement, including any dispositions of Shares (including derivative securities with respect to such Shares) resulting from the transactions contemplated by this Agreement by each individual who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.11 Exchange Act Delisting. Prior to the Effective Time, the Company shall cooperate with Parent and Merger Sub and use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Law and the rules and policies of the SEC to cause the deregistration of the Shares under the Exchange Act as promptly as practicable after the Effective Time.

Section 6.12 Rule 14d-10 Matters. All amounts payable to holders of Shares and other securities of the Company (the “Covered Securityholders”) pursuant to the Company Plans and the Company Benefit Agreements (collectively, the “Arrangements”) (i) are being paid or granted as compensation for past services performed, future services to be performed or future services to be refrained from performing by the Covered Securityholders (and matters incidental thereto) and (ii) are not calculated based on the number of Shares tendered or to be tendered into the Offer by the applicable Covered Securityholder. The Company Board has determined that each member of the Compensation Committee of the Company Board (the “Compensation Committee”) is an “Independent Director” in accordance with the requirements of Rule 14d-10(d)(2) under the Exchange Act. The Compensation Committee (A) at a meeting duly called and held at which all members of the Compensation Committee were present, duly and unanimously adopted resolutions approving as an “employment compensation, severance or other employee benefit arrangement” within the meaning of Rule 14d-10(d)(1) under the Exchange Act (an “Employment Compensation Arrangement”) (1) each Company Stock Plan, (2) the treatment of the Company Stock Options and Restricted Stock in accordance with the terms set forth in this Agreement, the applicable Company Stock Plan and any applicable Company Plans and Company Benefit Agreements, (3) the terms of Section 3.2(b) of this Agreement and (4) each other Company Plan and Company Benefit Agreement, which resolutions have not been rescinded, modified or withdrawn in any way, and (B) has taken all other actions necessary to satisfy the requirements of the non-exclusive safe harbor under Rule 14d-10(d)(2) under the Exchange Act with respect to the foregoing arrangements.

Section 6.13 Further Assurances. Each party hereby agrees to perform any further acts and to execute and deliver any documents or instruments that may be reasonably necessary to carry out the provisions of this Agreement.

ARTICLE VII CONDITIONS PRECEDENT

Section 7.1 Conditions to Each Party's Obligation to Effect the Merger. The obligation of each party to effect the Merger is subject to the satisfaction at or prior to the Effective Time of the following conditions:

(a) Stockholder Approval. The Company Stockholder Approval (if required by applicable Law) shall have been obtained.

(b) No Injunctions or Legal Restraints; Illegality. No temporary restraining order, preliminary or permanent injunction or other judgment, order or decree issued by any court of competent jurisdiction or other legal restraint or prohibition shall be in effect, and no Law shall have been enacted, entered, promulgated, enforced or deemed applicable by any Governmental Entity that, in any case, prohibits or makes illegal the consummation of the Merger.

(c) Purchase of Shares in the Offer. Merger Sub shall have purchased all Shares validly tendered (and not withdrawn) pursuant to the Offer in accordance with the terms hereof.

(d) Consents. The Company shall have obtained the consent to the transactions contemplated herein of each Person set forth in Section 7.1(d) of the Company Disclosure Letter and shall have provided evidence to Parent of each such consent, in form and substance satisfactory to Parent.

ARTICLE VIII TERMINATION, AMENDMENT AND WAIVER

Section 8.1 Termination. This Agreement may be terminated and the Offer and the Merger may be abandoned at any time prior to the Acceptance Date (with any termination by Parent also being an effective termination by Merger Sub):

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company if any court of competent jurisdiction or other Governmental Entity shall have issued a judgment, order, injunction, rule or decree, or taken any other action restraining, enjoining or otherwise prohibiting the Offer or the Merger and such judgment, order, injunction, rule, decree or other action shall have become final and nonappealable; *provided*, that the party seeking to terminate this Agreement pursuant to this Section 8.1(b) shall have used its reasonable best efforts to contest, appeal and remove such judgment, order, injunction, rule, decree, ruling or other action in accordance with Section 6.5; or

(c) by Parent, at any time prior to the Acceptance Date:

(i) if the Company shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement (other than with respect to a breach of Section 6.2 or 6.3(b), as to which Section 8.1(c)(ii) will apply), or if any representation or warranty of the Company shall have become untrue, in each case which breach or failure to perform or to be true, individually or in the aggregate (A) would result in the failure of an Offer Condition or of any of the conditions set forth in Article VII and (B) cannot be or, to the extent curable by the Company, has not been cured by the earlier of (1) the Outside Date and (2) thirty (30) days after the giving of written notice to the Company of such breach or failure; *provided*, that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(c)(i) if it is then in material breach of this Agreement;

(ii) if (A) the Company Board (or any committee thereof) effects an Adverse Recommendation Change, (B) the Company or the Company Board (or any committee thereof) shall approve or recommend, or cause or permit the Company to enter into, a Company Acquisition Agreement relating to an Acquisition Proposal, (C) the Company shall have breached any of its obligations under Section 6.2 or 6.3(b) or (D) the Company or the Company Board (or any committee thereof) shall formally resolve or publicly authorize or publicly propose to take any of the foregoing actions; or

(iii) if (A) Merger Sub shall not have accepted for payment and paid for Shares pursuant to the Offer on or before the Outside Date, (B) the Offer shall have expired or been terminated in accordance with its terms without Merger Sub having purchased any Shares pursuant thereto, or (C) Merger Sub shall have failed to commence the Offer within thirty (30) days after the date of this Agreement; *provided*, that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(c)(iii) if such failure to accept for payment and pay for Shares, to purchase Shares or to commence the Offer is due to Parent's or Merger Sub's breach of this Agreement.

(d) by the Company, at any time prior to the Acceptance Date:

(i) if Parent or Merger Sub shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement, or if any representation or warranty of Parent or Merger Sub shall have become untrue, in each case which breach or failure to perform or to be true, individually or in the aggregate (A) has had or would reasonably be expected to have a Parent Material Adverse Effect and (B) cannot be or, to the extent curable by Parent or Merger Sub, has not been cured by the earlier of (1) the Outside Date and (2) thirty (30) days after the giving of written notice to Parent of such breach or failure; *provided*, that the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(d)(i) if it is then in material breach of any of its covenants or agreements set forth in this Agreement;

(ii) in order to concurrently enter into a Company Acquisition Agreement that constitutes a Superior Proposal, if (A) the Company has complied in all material respects with the requirements of Section 6.2 and (B) prior to or concurrently with such termination, the Company pays the fee due under Section 8.3.

(iii) if (A) Merger Sub shall not have accepted for payment and paid for Shares pursuant to the Offer on or before the Outside Date, (B) the Offer shall have expired or been terminated in accordance with its terms without Merger Sub having purchased any Shares pursuant thereto, or (C) Merger Sub shall have failed to commence the Offer within thirty (30) days after the date of this Agreement; *provided*, that the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(d)(iii) if such failure to accept for payment and pay for Shares, to purchase Shares or to commence the Offer is due to the Company's breach of this Agreement.

The party desiring to terminate this Agreement pursuant to this Section 8.1 (other than pursuant to Section 8.1(a)) shall give written notice of such termination to the other party.

Section 8.2 Effect of Termination. In the event of termination of this Agreement, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of Parent, Merger Sub or the Company, except that the Confidentiality Agreement and the provisions of Section 4.26 (Brokers), Section 6.9 (Public Announcements), this Section 8.2, Section 8.3 (Fees and Expenses), Section 9.2 (Notices), Section 9.5 (Entire Agreement), Section 9.6 (No Third Party Beneficiaries), Section 9.7 (Governing Law), Section 9.8 (Submission to Jurisdiction), Section 9.9 (Assignment; Successors), Section 9.10 (Enforcement), Section 9.12 (Severability), Section 9.13 (Waiver of Jury Trial) and Section 9.16 (No Presumption Against Drafting Party) shall survive the termination hereof; *provided, however*, that no such termination shall relieve any party hereto from any liability or damages resulting from a willful and material breach prior to such termination of any of its representations or warranties set forth in this Agreement or from a material breach prior to such termination of any of its covenants or agreements set forth in this Agreement.

Section 8.3 Fees and Expenses.

(a) Except as otherwise provided in this Section 8.3, all fees and expenses incurred in connection with this Agreement, the Offer, the Merger and the other transactions contemplated hereby shall be paid by the party incurring such fees or expenses, whether or not the Offer or the Merger is consummated, except that the expenses incurred in connection with the filing, printing and mailing of the Offer Documents, the Schedule 14D-9 and the Proxy Statement, and all filing and other fees paid to the SEC, in each case in connection with the Merger (other than attorneys' fees, accountants' fees and related expenses), shall be borne by Parent. For the avoidance of doubt, any fees and expenses incurred in connection with this Agreement, the Offer, the Merger and the other transactions contemplated hereby incurred by a Stockholder (such as fees and expenses of separate counsel to such Stockholder) shall be borne by such Stockholder.

(b) In the event that:

(i) (A) an Acquisition Proposal (whether or not conditional) or intention to make an Acquisition Proposal (whether or not conditional) shall have been made directly to the Stockholders, otherwise publicly disclosed or otherwise publicly communicated to senior management of the Company or the Company Board, (B) this Agreement is thereafter terminated by Parent pursuant to Section 8.1(c)(i) or 8.1(c)(iii) or by the Company pursuant to Section 8.1(d)(ii) (unless, in the case of a termination pursuant to Section 8.1(c)(ii) or Section 8.1(d)(ii), immediately prior to such termination a number of Shares satisfying the Minimum Condition shall have been tendered into the Offer and not withdrawn) and (C) within twelve (12) months after the date of such termination, the Company enters into an agreement in respect of any Acquisition Proposal and such transaction is subsequently consummated (whether consummated before or after such 12-month period), or recommends or submits an Acquisition Proposal to its Stockholders for adoption and such transaction is subsequently consummated (whether consummated before or after such 12-month period), or a transaction in respect of an Acquisition Proposal is consummated within such 12-month period, which, in each case, need not be the same Acquisition Proposal that shall have been made, publicly disclosed or communicated prior to termination hereof (*provided*, that for purposes of this clause (C), each reference to "20%" in the definition of "Acquisition Proposal" shall be deemed to be a reference to "50%"); or

(ii) this Agreement is terminated by Parent pursuant to Section 8.1(c)(ii); or

(iii) this Agreement is terminated by the Company pursuant to Section 8.1(d)(ii);

then, in any such event, the Company shall pay to Parent the Termination Fee, it being understood that in no event shall the Company be required to pay the Termination Fee on more than one occasion. As used herein, "Termination Fee" shall mean a cash amount equal to \$1,500,000, except that in the event that this Agreement is terminated by the Company pursuant to Section 8.1(d)(ii) prior to the No-Shop Period Start Date, the "Termination Fee" shall mean a cash amount equal to \$1,000,000.

(c) Payment of the Termination Fee shall be made by wire transfer of same day funds to the account or accounts designated by Parent (i) on the consummation of, any transaction contemplated by an Acquisition Proposal, as applicable, in the case of a Termination Fee payable pursuant to Section 8.3(b)(i), (ii) as promptly as reasonably practicable after termination (and, in any event, within two (2) Business Days thereof), in the case of termination by Parent pursuant to Section 8.1(c)(ii) or (iii) simultaneously with or prior to, and as a condition to the effectiveness of, termination by the Company pursuant to Section 8.1(d)(ii). Each of Parent and Merger Sub acknowledges and agrees that in the event that Parent is entitled to receive either the Termination Fee pursuant to this Agreement, the right of Parent to receive such amount shall constitute each of Parent's and Merger Sub's sole and exclusive remedy for money damages for any termination of this Agreement; *provided*, that nothing in the foregoing sentence shall constitute a waiver of Parent's or Merger Sub's right to seek specific performance in accordance with Section 9.10 of this Agreement (nor shall any such action for specific performance prejudice Parent's or Merger Sub's right to receive the Termination Fee if such action does not result in consummation of the Offer, the Merger and the other transactions contemplated by this Agreement) but in no event shall Parent be entitled to receive both the Termination Fee and an award of specific performance.

(d) The Company acknowledges that the agreements contained in this Section 8.3 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Parent and Merger Sub would not enter into this Agreement; accordingly, if the Company fails promptly to pay any amounts due pursuant to this Section 8.3, and, in order to obtain such payment, Parent commences a suit that results in a judgment against the Company for the amounts set forth in this Section 8.3, the Company shall pay to Parent its costs and expenses (including reasonable attorneys' fees and expenses) in connection with such suit, together with interest on the amounts due pursuant to this Section 8.3 from the date such payment was required to be made until the date of payment at the prime lending rate as published in *The Wall Street Journal* in effect on the date such payment was required to be made.

Section 8.4 Amendment or Supplement. This Agreement may be amended, modified or supplemented by the parties by action taken or authorized by their respective Boards of Directors at any time prior to the Effective Time, whether before or after the Company Stockholder Approval has been obtained; *provided, however*, that (a) after Merger Sub has accepted for payment and paid for Shares pursuant to the Offer, no amendment may be made which decreases the Merger Consideration and (b) after the Company Stockholder Approval has been obtained, no amendment may be made that pursuant to applicable Law requires further approval or adoption by the Stockholders without such further approval or adoption. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated as an amendment hereto, signed on behalf of each of the parties in interest at the time of the amendment.

Section 8.5 Extension of Time; Waiver. At any time prior to the Effective Time, the parties may, by action taken or authorized by their respective Boards of Directors, to the extent permitted by applicable Law, (a) extend the time for the performance of any of the obligations or acts of the other parties, (b) waive any inaccuracies in the representations and warranties of the other parties set forth in this Agreement or any document delivered pursuant hereto or (c) subject to applicable Law, waive compliance with any of the agreements or conditions of the other parties contained herein; *provided, however*, that after the Company Stockholder Approval has been obtained, no waiver may be made that pursuant to applicable Law requires further approval or adoption by the Stockholders without such further approval or adoption. Any agreement on the part of a party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by a duly authorized officer on behalf of such party. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder.

Section 8.6 Effect of Termination on Offer. In the event that this Agreement is terminated pursuant to Section 8.1(c)(ii) or 8.1(d)(ii) and Merger Sub elects not to terminate the Offer, Merger Sub shall, and Parent shall cause Merger Sub to, promptly amend the Offer to disclose that such Offer is no longer pursuant to this Agreement. Any Offer so amended and continued after the termination of this Agreement shall not be subject to any terms or conditions of this Agreement (and Parent and Merger Sub shall not be subject to any standstill agreement previously entered into). In the event that this Agreement is terminated pursuant to any subsection of Section 8.1 other than 8.1(c)(ii) or 8.1(d)(ii), then as promptly as practicable after such termination, Merger Sub shall, and Parent shall cause Merger Sub to, terminate the Offer. Nothing in this Section 8.6 shall be construed as a standstill or restriction that would limit Parent or any of its Subsidiaries from acquiring capital stock of the Company by any means at any time after termination of this Agreement and (in the case of the preceding sentence, termination of the Offer).

ARTICLE IX GENERAL PROVISIONS

Section 9.1 Nonsurvival of Representations and Warranties. None of the representations, warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Effective Time, other than those covenants or agreements of the parties which by their terms apply, or are to be performed in whole or in part, after the Effective Time.

Section 9.6 No Third Party Beneficiaries. Except as provided in Section 6.8, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement. The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties hereto. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Consequently, Persons (other than the parties hereto) may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 9.7 Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal Laws of the State of Florida, without regard to the Laws of any other jurisdiction that might be applied because of the conflicts of Laws principles of the State of Florida.

Section 9.8 Submission to Jurisdiction. Each of the parties hereby irrevocably submits to the jurisdiction of the aforesaid courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in Florida, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in Florida as described herein. Each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and the parties further waive any argument that such service is insufficient. Each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, (a) any claim that it is not personally subject to the jurisdiction of the courts in Florida as described herein for any reason, (b) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 9.10 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Federal or state courts with jurisdiction over all or part of Leon County, Florida, *provided* that if jurisdiction is not then available in such courts, then in any federal court located in the State of Florida or any other Florida state court, this being in addition to any other remedy to which such party is entitled at law or in equity. Each of the parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief.

Section 9.11 Currency. All references to "dollars" or "\$" or "US\$" in this Agreement refer to United States dollars, which is the currency used for all purposes in this Agreement.

Section 9.12 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 9.13 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.14 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 9.15 Facsimile Signature. This Agreement may be executed by facsimile signature and a facsimile signature shall constitute an original for all purposes.

Section 9.16 No Presumption Against Drafting Party. Each of Parent, Merger Sub and the Company acknowledges that each party to this Agreement has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

Section 9.17 Performance Guaranty. Parent unconditionally and irrevocably agrees to take all action necessary to cause Merger Sub or the Surviving Corporation, as applicable, to perform all of its respective agreements, covenants and obligations under this Agreement with respect to consummation of the Offer and the Merger and payment or issuance of consideration pursuant to this Agreement in respect thereof. Parent unconditionally guarantees to the Company the full and complete performance by Merger Sub or the Surviving Corporation, as applicable, of its respective obligations under this Agreement with respect to consummation of the Offer and the Merger and payment or issuance of consideration pursuant to this Agreement in respect thereof and shall be liable for any breach of any such obligation of Merger Sub or the Surviving Corporation, as applicable, under this Agreement. This is a guarantee of payment and performance and not collectability.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, Parent and the Stockholders hereby agree as follows:

1. *Agreement to Tender.*

(a) Prior to the Termination Date (as defined herein), if requested in writing by Parent, but in no event prior to such written request, each Stockholder hereby severally agrees to tender, or cause to be tendered, pursuant to and in accordance with the terms of the Offer, such Stockholder's Covered Shares (other than unexercised options, warrants, and other rights to acquire Shares and other than any Shares as to which the Stockholder does not have the power to dispose of or direct the disposition of such Shares, or has such power only in a fiduciary capacity for the benefit of Persons other than those who are parties to this Agreement), and agrees that it will not withdraw or permit the withdrawal of such Shares from the Offer. Within three (3) Business Days after receipt of the written request of Parent, but in no event prior to receipt of such written request, each Stockholder will: (i) deliver to the Exchange Agent designated in the Offer (A) a properly completed letter of election and transmittal with respect to such Stockholder's Covered Shares complying with the terms of the Offer, (B) if and to the extent such Covered Shares are held in certificated form, the certificates representing the Covered Shares, and (C) all other documents or instruments required to be delivered pursuant to the terms of the Offer; and/or (ii) instruct its broker or such other Person who is the holder of any of such Stockholder's Covered Shares to promptly tender such Shares in the Offer pursuant to and in accordance with the terms and conditions of the Offer.

(b) Each Stockholder acknowledges and agrees that Merger Sub's obligation to accept for payment Shares tendered in the Offer, including any Shares tendered by any Stockholder, is subject to the terms and conditions of the Merger Agreement and the Offer.

2. *Agreement to Vote.*

(a) Prior to the Termination Date and regardless of whether such Stockholder tenders any Covered Shares pursuant to Section 1, each Stockholder irrevocably and unconditionally agrees that it shall at any meeting of the stockholders of the Company (whether annual or special and whether or not an adjourned or postponed meeting), however called, or in connection with any written consent of stockholders of the Company (x) when a meeting is held, appear at such meeting or otherwise cause such Stockholder's Covered Shares to be counted as present thereat for the purpose of establishing a quorum, and respond to each request by the Company for written consent, if any, and (y) vote (or consent), or cause to be voted at such meeting (or validly execute and return and cause such consent to be granted with respect to), all of such Stockholder's Covered Shares (i) in favor of the Merger, the execution and delivery by the Company of the Merger Agreement, adoption and approval of the Merger Agreement and the terms thereof and any other matters necessary for consummation of the Merger and the other transactions contemplated in the Merger Agreement (whether or not recommended by the Company Board), and (ii) against (A) any Acquisition Proposal, (B) any proposal for any recapitalization, reorganization, liquidation, dissolution, amalgamation, merger, sale of assets or other business combination between the Company and any other Person (other than the Merger), (C) any other action that could reasonably be expected to impede, interfere with, delay, postpone or adversely affect the Merger or any of the transactions contemplated by the Merger Agreement or this Agreement or any transaction that results in a breach in any material respect of any covenant, representation or warranty or other obligation or agreement of the Company or any of its Subsidiaries under the Merger Agreement, and (D) any change in the present capitalization or dividend policy of the Company or any amendment or other change to the Company's certificate of incorporation or bylaws, except if approved by Parent.

(b) Prior to the Termination Date and at any time after the Acceptance Date, each Stockholder irrevocably and unconditionally agrees that it shall at any meeting of the stockholders of the Company (whether annual or special and whether or not an adjourned or postponed meeting), however called, or in connection with any written consent of stockholders of the Company (x) when a meeting is held, appear at such meeting or otherwise cause such Stockholder's Covered Shares to be counted as present thereat for the purpose of establishing a quorum, and respond to each request by the Company for written consent, if any, and (y) vote (or consent), or cause to be voted at such meeting (or validly execute and return and cause such consent to be granted with respect to), all of such Stockholder's Covered Shares (i) in favor of all necessary and desirable actions to cause the election (and maintenance) of the Parent designees to the Company's Board of Directors (the "*Parent Directors*") pursuant to Section 1.4 of the Merger Agreement, and (ii) against, unless requested by Parent, the removal of any of the Parent Directors.

3. *Grant of Irrevocable Proxy; Appointment of Proxy.*

(a) EACH STOCKHOLDER HEREBY GRANTS TO, AND APPOINTS, PARENT, THE EXECUTIVE OFFICERS OF PARENT, AND ANY OTHER DESIGNEE OF PARENT, EACH OF THEM INDIVIDUALLY, SUCH STOCKHOLDER'S IRREVOCABLE (UNTIL THE TERMINATION DATE) PROXY AND ATTORNEY-IN-FACT (WITH FULL POWER OF SUBSTITUTION) TO TENDER ON BEHALF OF THE STOCKHOLDER THE COVERED SHARES IF SUCH STOCKHOLDER FAILS TO TENDER SUCH COVERED SHARES WITHIN THREE (3) BUSINESS DAYS AFTER THE RECEIPT OF A WRITTEN REQUEST FROM PARENT TO DO SO, AND TO VOTE THE COVERED SHARES AS INDICATED IN SECTION 2. EACH STOCKHOLDER INTENDS THIS PROXY TO BE IRREVOCABLE (UNTIL THE TERMINATION DATE) AND COUPLED WITH AN INTEREST AND WILL TAKE SUCH FURTHER ACTION OR EXECUTE SUCH OTHER INSTRUMENTS AS MAY BE NECESSARY TO EFFECTUATE THE INTENT OF THIS PROXY AND HEREBY REVOKES ANY PROXY PREVIOUSLY GRANTED BY SUCH STOCKHOLDER WITH RESPECT TO THE COVERED SHARES (THE STOCKHOLDER REPRESENTING TO THE COMPANY THAT ANY SUCH PROXY IS NOT IRREVOCABLE).

(b) The proxy granted in this Section 3 shall automatically expire upon the Termination Date of this Agreement.

4. *No Inconsistent Agreements.* Each Stockholder (severally and not jointly) hereby covenants and agrees that, except as contemplated by this Agreement, such Stockholder (a) has not entered into, and shall not enter into at any time prior to the Termination Date, any voting agreement or voting trust with respect to any of such Stockholder's Covered Shares and (b) has not granted, and shall not grant at any time prior to the Termination Date, a proxy or power of attorney with respect to any of such Stockholder's Covered Shares, in either case, which is inconsistent with such Stockholder's obligations pursuant to this Agreement.

5. *Termination; Amendments to Offer.*

(a) This Agreement shall terminate automatically upon the earliest to occur of (i) the Effective Time, (ii) written notice of termination of this Agreement is delivered by Parent to the Stockholders, (iii) the Outside Date, (iv) the termination of the Merger Agreement in accordance with its terms, (v) the date on which Parent or Merger Sub terminates, withdraws, or abandons the Offer, (vi) the date on which the Offer is revised in a manner that violates the limitations set forth in Section 5(b), or (vii) the date on which a Person (other than Parent or Merger Sub) acquires more than 50% of the Company's outstanding voting securities on a fully-diluted basis (such earliest date being referred to herein as the "*Termination Date*"); *provided*, that the provisions set forth in Sections 14 to 27 shall survive the termination of this Agreement; *provided further*, that any liability incurred by any party hereto as a result of a material breach of a term or condition of this Agreement prior to such termination shall survive the termination of this Agreement.

(b) Notwithstanding anything to the contrary herein, no amendment to the Offer in accordance with the Merger Agreement shall release any Covered Shares from this Agreement prior to the Termination Date otherwise determined in accordance with Section 5(a) unless such amendment (x) is made without the written consent of the Company pursuant to Section 1.1(b) of the Merger Agreement, and (y) except if made pursuant to Section 6.2(e) of the Merger Agreement to the extent set forth below, (i) reduces the Offer Consideration, (ii) changes the form of consideration payable, (iii) except as set forth in Section 1.1(d)(ii) of the Merger Agreement, reduces the number of Shares to be purchased by Merger Sub, (iv) except as set forth in Section 1.1(d)(ii) of the Merger Agreement, waives or amends the Minimum Condition, (v) adds to the Offer Conditions or imposes any other conditions, (vi) extends the expiration date beyond the Outside Date, or (vii) otherwise amends, modifies or supplements any Offer Condition or any term of the Offer set forth in the Merger Agreement in a manner adverse to the holders of Shares. Parent may amend the Offer without violation of the foregoing limitations and without releasing the Covered Shares in connection with its "match" right set forth in Section 6.2(e) of the Merger Agreement in order to cause the Offer to comply with its bona fide proposal(s) pursuant to Section 6.2(e), *provided* that such "match" right-to-adjust shall not apply to Section 5(b)(iv) above and shall apply to Section 5(b)(vii) above only to the extent that the revised Offer, taken as a whole (as opposed to any individual term), has not been revised in a manner adverse to the holders of Shares. Any amendment that is not permitted pursuant to the foregoing shall entitle a Stockholder to terminate this Agreement pursuant to Section 5(a)(vi).

6. *Representations and Warranties of Stockholders.* Each Stockholder, as to itself (severally and not jointly), hereby represents and warrants to Parent as follows:

(a) Such Stockholder is the record and beneficial owner of, and has good and valid title to, the Owned Shares set forth opposite its name on *Schedule A* hereto, free and clear of Liens except as created by this Agreement, the terms of the Company charter and bylaws, or applicable federal and state securities laws. Such Stockholder has sole voting power, sole power of disposition, sole power to demand appraisal rights and sole power to agree to all of the matters set forth in this Agreement applicable to such Stockholder, in each case with respect to all of those Owned Shares set forth opposite its name on *Schedule A* hereto, with no limitations, qualifications or restrictions on such rights, subject to applicable federal and state securities laws and the terms of this Agreement. As of the date hereof, other than such Stockholder's Owned Shares, such Stockholder does not own beneficially or of record any Shares or other voting securities of the Company or any interest therein. Such Stockholder's Owned Shares are not subject to any voting trust agreement or other Contract to which such Stockholder is a party restricting or otherwise relating to the voting or Transfer of such Owned Shares. Such Stockholder has not appointed or granted any proxy or power of attorney that is still in effect with respect to any Owned Shares, except as contemplated by this Agreement.

(b) Each Stockholder has full legal power and capacity to execute and deliver this Agreement and to perform such Stockholder's obligations hereunder. This Agreement has been duly and validly executed and delivered by such Stockholder and, assuming due authorization, execution and delivery by Parent, constitutes a legal, valid and binding obligation of such Stockholder, enforceable against such Stockholder in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law). If such Stockholder is married, and any of the Covered Shares of such Stockholder constitute community property or otherwise need spousal or other approval for this Agreement to be legal, valid and binding, this Agreement has been duly and validly executed and delivered by such Stockholder's spouse and, assuming due authorization, execution and delivery by Parent, constitutes a legal, valid and binding obligation of such Stockholder's spouse, enforceable against such Stockholder's spouse in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(c) Except for the applicable requirements of the Exchange Act, (i) no filing with, and no permit, authorization, consent or approval of, any Governmental Entity is necessary on the part of such Stockholder for the execution, delivery and performance of this Agreement by such Stockholder or the consummation by such Stockholder of the transactions contemplated hereby and (ii) neither the execution, delivery or performance of this Agreement by such Stockholder nor the consummation by such Stockholder of the transactions contemplated hereby nor compliance by such Stockholder with any of the provisions hereof shall (A) conflict with or violate, any provision of the organizational documents of any such Stockholder which is an entity, (B) result in any breach or violation of, or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on such property or asset of such Stockholder pursuant to, any Contract to which such Stockholder is a party or by which such Stockholder or any property or asset of such Stockholder is bound or affected or (C) violate any order, writ, injunction, decree, statute, rule or regulation applicable to such Stockholder or any of such Stockholder's properties or assets except, in the case of clause (B) or (C), for breaches, violations or defaults that would not, individually or in the aggregate, materially impair the ability of such Stockholder to perform its obligations hereunder.

(d) There is no action, suit, investigation, complaint or other proceeding pending against such Stockholder or, to the knowledge of such Stockholder, threatened against such Stockholder or that restricts or prohibits (or, if successful, would restrict or prohibit) the exercise by Parent of its rights under this Agreement or the performance by such Stockholder of its obligations under this Agreement.

(e) Such Stockholder understands and acknowledges that Parent is entering into the Merger Agreement in reliance upon such Stockholder's execution and delivery of this Agreement and the representations and warranties of such Stockholder contained herein.

7. *Certain Covenants of Stockholder.* Each Stockholder, for itself (severally and not jointly), hereby covenants and agrees as follows:

(a) Prior to the Termination Date, such Stockholder will not take any action or fail to take any action, or cause the Company or any other Representative to take any action or fail to take any action, that would constitute, or be reasonably likely to result in, a breach of the Company's covenants and agreements under Section 6.2 of the Merger Agreement.

(b) Prior to the Termination Date, such Stockholder shall not (i) tender into any tender or exchange offer, (ii) sell (constructively or otherwise), transfer, pledge, hypothecate, grant, encumber, assign or otherwise dispose of (collectively "*Transfer*"), or enter into any contract, option, agreement or other arrangement or understanding with respect to the Transfer of any of the Covered Shares or beneficial ownership or voting power thereof or therein (including by operation of law), (iii) grant any proxies or powers of attorney, deposit any Covered Shares into a voting trust or enter into a voting agreement with respect to any Covered Shares or (iv) knowingly take any action that would make any representation or warranty of such Stockholder contained herein untrue or incorrect, in any material respect, or have the effect of preventing or disabling such Stockholder from performing its obligations under this Agreement. Any Transfer in violation of this provision shall be void. Such Stockholder hereby authorizes and requests the Company to notify the Company's transfer agent that there is a stop transfer order with respect to all of such Stockholder's Covered Shares and that this Agreement places limits on the voting of the Covered Shares. If so requested by Parent, such Stockholder agrees that the certificates representing Covered Shares shall bear a legend stating that they are subject to this Agreement and to the irrevocable proxy granted in Section 3(a). Notwithstanding anything to the contrary in this Agreement, the Stockholder may Transfer any or all of the Covered Shares, in accordance with applicable Law, to such Stockholder's spouse, ancestors, descendants or any trust controlled by the Stockholder for any of their benefit, and with respect to any Stockholder that is not a natural Person, to such Stockholder's Affiliates; *provided*, that prior to and as a condition to the effectiveness of such Transfer, each Person to whom any of such Covered Shares or any interest in any of such Covered Shares is or may be Transferred shall have executed and delivered to Parent a counterpart of this Agreement pursuant to which such Person shall be bound by all of the terms and provisions of this Agreement as if it had been the Stockholder originally party hereto, and shall have agreed in writing with Parent to hold such Covered Shares or interest in such Covered Shares subject to all of the terms and provisions of this Agreement.

(c) Prior to the Termination Date, such Stockholder shall promptly notify Parent of the number of any new Shares or other voting securities of the Company with respect to which beneficial ownership is acquired by such Stockholder, including, without limitation, by purchase, as a result of a stock dividend, stock split, recapitalization, combination, reclassification, exchange or change of such shares, or upon exercise or conversion of any securities of the Company, if any, after the date hereof. Any such Shares or other voting securities of the Company shall automatically become subject to the terms of this Agreement, and *Schedule A* shall be adjusted accordingly.

8 . *Stockholder Capacity.* This Agreement is being entered into by each Stockholder solely in its capacity as a stockholder of the Company, and not in such Stockholder's capacity as a director or officer of the Company, as applicable, and nothing in this Agreement shall restrict or limit the ability of any Stockholder who is a director or officer of the Company to take any action in his or her capacity as a director or officer of the Company.

9. *No Ownership Interest.* Nothing in this Agreement shall be deemed to vest in Parent or any of its Affiliates any direct or indirect ownership of or with respect to any Covered Shares. Beyond what is expressly provided in this Agreement, all ownership and economic benefits of and relating to the Covered Shares shall remain vested in and belong to the Stockholders, and neither Parent nor any of its Affiliates shall have any authority to direct any of the Stockholders in the voting or disposition of any of the Covered Shares.

10 . *Waiver of Appraisal Rights.* Each Stockholder hereby waives any rights of appraisal or rights to dissent from the Merger that such Stockholder may have under applicable Law.

11 . *Disclosure.* Each Stockholder hereby authorizes Parent and the Company to publish and disclose in any announcement or disclosure required by the SEC or the New York Stock Exchange and in the TO Statement and Proxy Statement such Stockholder's identity and ownership of such Stockholder's Covered Shares and the nature of such Stockholder's obligations under this Agreement; *provided* that the Stockholders shall have a reasonable opportunity to review and comment on any such announcement or disclosure prior to its publication, filing or disclosure.

12. *Further Assurances.* From time to time, at the request of Parent and without further consideration, each Stockholder shall take such further action as may reasonably be necessary or desirable to consummate and make effective the transactions contemplated by this Agreement.

13 . *Non-Survival of Representations and Warranties.* None of the representations and warranties of the Stockholders contained herein shall survive the Termination Date.

14 . *Amendment and Modification.* This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing signed on behalf of each party and otherwise as expressly set forth herein.

15. *Waiver.* No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder. Any agreement on the part of a party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by such party.

Exhibit B

CONDITIONS TO THE OFFER

Notwithstanding any other term of the Offer or the Merger Agreement, Merger Sub shall not be required to accept for payment or, subject to any applicable rules and regulations of the SEC, including Rule 14e-1(c) under the Exchange Act (relating to Merger Sub's obligation to pay for or return tendered Shares promptly after the termination or withdrawal of the Offer), to pay for any Shares tendered pursuant to the Offer and, subject to the terms of the Merger Agreement, may delay the acceptance for payment of or payment for Shares or may terminate or amend the Offer, if:

(a) prior to the expiration of the Offer, there shall not have been validly tendered and not withdrawn a number of Shares (excluding Shares tendered by guaranteed delivery for which the underlying Shares have not been received) that, together with the Shares, if any, then owned by Parent or any of its Subsidiaries, would represent at least a majority of the outstanding Shares on a fully diluted basis on the date of purchase (which means, as of any time, the number of Shares outstanding, together with all Shares that the Company would be required to issue pursuant to the conversion or exercise of all options, rights and securities convertible into or exercisable for Shares or otherwise) (the "Minimum Condition").

(b) at any time on or after the date of this Agreement and before or at the time of the acceptance of such Shares for payment or the payment therefor, any of the following conditions shall exist:

(i) there shall be pending any Action by any Governmental Entity, that seeks, to (A) make illegal or otherwise prohibit the consummation of the Offer or the Merger or (B) prohibit or materially limit the ownership, operation or control by the Company, Parent or any of their respective Subsidiaries of any material portion of the business or assets of the Company, Parent or any of their respective Subsidiaries, or to compel the Company, Parent or any of their respective Subsidiaries to dispose of or hold separate any material portion of the business or assets of the Company, Parent or any of their respective Subsidiaries, which would be material in the context of the value of the Company and its Subsidiaries taken as a whole, to Parent upon consummation of the Offer and the Merger, or to Parent and its Subsidiaries taken as a whole, or (C) impose material limitations on the ability of Parent to acquire or hold, or exercise full rights of ownership of, any Shares (or shares of capital stock of the Surviving Corporation), including the right to vote the Shares purchased or owned by them on all matters properly presented to stockholders of the Company;

(ii) since the date of the Merger Agreement, there shall be enacted, entered, promulgated any Law by any Governmental Entity that would, directly or indirectly, result in any of the consequences referred to in clauses (A) through (C) of paragraph (b)(i) above;

(iii) since the date of the Merger Agreement, there shall have occurred any event, change, circumstance, occurrence, effect or state of facts that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect;

(iv) (A) the Company shall have breached or failed to comply in any material respect with any of its obligations, covenants or agreements under the Merger Agreement required to be performed prior to the expiration of the Offer that has not been cured prior to the date for acceptance and payment of the Shares, *provided, however*, that following any extension of the Offer by Merger Sub pursuant to Section 1.1(d)(i) of the Merger Agreement, the Offer Condition contemplated by this clause (A) shall be deemed to have been satisfied so long as the Company shall not have engaged in an intentional breach of any of its covenants, obligations or agreements under the Merger Agreement and such Intentional Breach shall not have been cured, (B) (1) the representations and warranties of the Company set forth in Section 4.2(a), Section 4.4, the last sentence of Section 4.6(a), the first sentence of Section 4.6(b), and the last sentence of Section 4.24 shall not be true and correct as of the date of the Merger Agreement or as of the time for acceptance of and payment for the Shares in the Offer as if made as of the time of such determination (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), *provided*, that the representations made in Section 4.2(a) shall be deemed to be true and correct if such representation does not contain more than a de minimis accuracy; or (2) any of the remaining representations and warranties of the Company set forth in the Merger Agreement shall not be true and correct as of the date of the Merger Agreement or as of the time for acceptance and payment of the Shares as if made as of the time of such determination (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), except for inaccuracies of such representations or warranties the circumstances giving rise to which, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect (it being understood that, for purposes of determining the accuracy of such representations and warranties, all materiality and "Material Adverse Effect" qualifications and exceptions contained in such representations and warranties shall be disregarded), or (C) Parent and Merger Sub shall have failed to receive a certificate of an executive officer of the Company, dated as of the scheduled expiration date of the Offer, to the effect set forth in the foregoing clauses (A) and (B) and such failure to be so true and correct has not been cured prior to the date for acceptance and payment of the Shares; or

(v) the Merger Agreement shall have been terminated in accordance with its terms or shall have been amended in accordance with its terms to provide for such termination.

The foregoing conditions are for the sole benefit of Merger Sub and Parent and may be asserted by Merger Sub or Parent regardless of the circumstances giving rise to any such condition, in whole or in part at any applicable time or from time to time in their sole discretion prior to the expiration of the Offer, except that the conditions relating to receipt of any approvals from any Governmental Entity may be asserted at any time prior to the acceptance for payment of Shares, and all conditions (except for the Minimum Condition and the conditions in clauses (b) or (c) of this Exhibit B) may be waived by Parent or Merger Sub in their sole discretion in whole or in part at any applicable time or from time to time, in each case subject to the terms and conditions of the Merger Agreement and the applicable rules and regulations of the SEC. The failure of Parent or Merger Sub at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right that may be asserted at any time and from time to time.

Capitalized terms used in this Exhibit B and not otherwise defined shall have the respective meanings assigned thereto in the Merger Agreement to which this Exhibit B is attached (the "Merger Agreement").

CryoLife Signs Definitive Agreement to Acquire Cardiogenesis

Acquisition represents significant addition to CryoLife's cardiovascular surgery portfolio

All-cash transaction values Cardiogenesis at approximately \$22 million and is expected to be break-even to slightly accretive to CryoLife diluted net earnings per share in 2011, excluding acquisition-related charges and integration costs

CryoLife will host a conference call at 10:00 AM Eastern Time

ATLANTA, GA and IRVINE, CA. (March 29, 2011) – CryoLife, Inc. (NYSE: CRY), an implantable biological medical device and cardiovascular tissue processing company, and Cardiogenesis Corporation (OTCQB: CGCP), a leading developer of surgical products used in the treatment of patients with refractory angina resulting from diffuse coronary artery disease, today announced that the boards of directors of both companies have approved a definitive agreement under which CryoLife will acquire all of the outstanding shares of Cardiogenesis for \$0.457 per share. The all-cash transaction values Cardiogenesis at approximately \$22 million, net of cash acquired and liabilities assumed. The offer represents a 43 percent premium to Cardiogenesis' closing price on March 28, 2011. The transaction is expected to be conducted as a tender offer followed by a merger and to close in mid to late May 2011.

Cardiogenesis had sales of \$11.3 million for the year ended December 31, 2010. Cardiogenesis' market leading YAG laser system and single use, fiber-optic delivery systems are FDA approved for performing a surgical procedure known as Transmyocardial Revascularization (TMR), which treats patients with angina that is not responsive to standard medications. Patients undergoing TMR treatment with Cardiogenesis products have been shown to have angina improvement, longer event-free survival, reduction in cardiac related hospitalizations, and increased exercise tolerance. The current market potential for TMR surgical procedures in the U.S. is estimated to be greater than \$175 million. CryoLife believes that the delivery of biologic materials, such as stem cells, in conjunction with TMR could increase the estimated U.S. market potential to greater than \$700 million.

Cardiogenesis has also developed the PHOENIX™ Combination Delivery System, which is designed to combine the intramyocardial delivery of biologic materials with TMR. The synergy of injecting biologics, such as stem cells or growth factors, with TMR may provide greater angina reduction, improve cardiac function and enhance quality of life in patients with diffuse disease who are not candidates for surgical bypass or intervention. The PHOENIX System has received a CE Mark and CryoLife intends to begin commercialization efforts in select European markets in the second half of 2011, with a more extensive launch expected in 2012.

Cardiogenesis and CryoLife products are both targeted toward cardiovascular surgeons and this acquisition represents a significant addition to CryoLife's cardiac surgery portfolio. Leveraging its significant global sales force, CryoLife expects to grow TMR revenues in the low double-digits within 12 months of completing the acquisition, excluding the benefits of any possible future product approvals or successful clinical trial outcomes.

"We believe this transaction will benefit the customers, employees and shareholders of both companies," said Steven G. Anderson, chairman, president and chief executive officer of CryoLife. "Cardiogenesis brings developed technologies with proven clinical outcomes in the treatment of cardiovascular disease and a pipeline of potential new products that build on the TMR platform. Cardiogenesis' products greatly expand our customer offerings and we believe they will create opportunities for us to cross sell and rollout Cardiogenesis' products on a global platform. We look forward to welcoming Cardiogenesis employees to the CryoLife team as we work together to create opportunity for our customers and investors."

"CryoLife is a partner that shares our commitment to develop innovative products that improve the lives of patients around the world," said Paul McCormick, executive chairman of Cardiogenesis. "We are pleased to be joining CryoLife and we feel that the company's direct cardiac surgery sales force, geographic scale, expertise and resources will help us expand the global reach of our products."

Following the completion of the transaction, Cardiogenesis will become a wholly-owned subsidiary of CryoLife.

Terms of the Agreement

Under the terms of the definitive agreement, Cardiogenesis shareholders will receive \$0.457 in cash for each share of Cardiogenesis stock they own, less applicable withholding taxes. Upon consummation of the tender offer, CryoLife intends to complete a merger in order to acquire all of the shares of Cardiogenesis common stock that remain outstanding after the completion of the tender offer, at the same per share price.

CryoLife expects the tender offer for the outstanding shares of Cardiogenesis to commence on or around April 4, 2011 and to remain open for at least 20 business days. The officers and directors of Cardiogenesis, who currently hold 2.7 percent of the voting shares of Cardiogenesis, have agreed to tender all of their shares into the offer upon CryoLife's request.

If over 83.5 percent of the outstanding shares of Cardiogenesis are tendered in the tender offer, CryoLife expects to exercise a "top up" option and close on the short-form merger approximately 10 days thereafter. If at least a majority but less than 83.5 percent, of the outstanding shares of Cardiogenesis are tendered in the tender offer, CryoLife will purchase up to 49.9 percent of Cardiogenesis' shares in the tender offer, and Cardiogenesis will hold a special meeting of Cardiogenesis shareholders as soon as practical after the completion of the tender offer to vote on the proposed merger. If more than 50 percent of the outstanding shares of Cardiogenesis, including those shares acquired by CryoLife in the tender offer, vote in favor of the merger, CryoLife and Cardiogenesis will move to complete the merger as soon as possible after the special meeting of Cardiogenesis shareholders. No approval of the shareholders of CryoLife is required in connection with the offer or the merger.

CryoLife will use cash on hand to fund the transaction. CryoLife expects the transaction to be break-even to slightly accretive to 2011 diluted net earnings per share, excluding acquisition-related charges and integration costs, including customary amounts related to acquired inventory expected to be recorded in 2011.

The transaction is subject to customary closing conditions and regulatory approvals, including the valid tender of at least a majority of the outstanding shares of Cardiogenesis common stock, on a fully-diluted basis. The transaction is not subject to a financing condition.

Strategic and Financial Benefits

The acquisition of Cardiogenesis is highly complementary to CryoLife's business and enables CryoLife to extend its product offerings and reach.

- **Clear TMR leader:** Cardiogenesis is the market share leader in TMR to treat refractory angina; and when combined, the two companies will have programs across valve replacement surgery, reconstructive cardiac surgery, TMR to treat refractory angina, and surgical sealants and hemostatic agents to prevent and control bleeding.

- Complementary programs: Cardiogenesis' experience with TMR products and relationships with leading cardiac surgery programs are a strong complement to CryoLife's valve replacement and reconstructive cardiac surgery franchise.
- Increased direct selling organization: The assimilation of Cardiogenesis' direct sales representatives will nearly double CryoLife's cardiac surgery specialist sales force in the U.S. Once fully cross-trained, CryoLife and Cardiogenesis representatives will be able to promote the full range of both companies' cardiac surgery products and services.
- International growth: CryoLife's global presence can further strengthen and enhance Cardiogenesis' international growth. Cardiogenesis currently does not have a presence in international markets. CryoLife's international sales and marketing network, which reaches into approximately 70 countries, can accelerate Cardiogenesis' growth more rapidly in key international markets.
- Large market potential: The successful delivery of biologic materials, such as stem cells, in conjunction with Cardiogenesis' TMR devices will make CryoLife a leading participant in the treatment of chronic myocardial ischemia. Cardiogenesis has been in discussions with the Food and Drug Administration (FDA) regarding initiating a randomized, prospective clinical trial to evaluate TMR in conjunction with bone marrow derived stem cell therapy to treat patients with severe refractory angina. A feasibility trial is underway outside the U.S. using the PHOENIX System.
- Accretive transaction: Prior to 2010, Cardiogenesis experienced revenue growth with historically strong gross margins. If the transaction closes in May, CryoLife expects revenue from the Cardiogenesis product line to be between \$4.0 million and \$5.0 million in 2011, which primarily reflects disposable hand piece and service revenues. Additionally, the transaction is expected to be accretive to CryoLife's revenue growth rate and gross margin and to be either break-even or slightly accretive to diluted net earnings per share in 2011, excluding acquisition related charges and integration costs, including the increase to cost of goods sold related to the step up in inventory values required under purchase accounting, expected to be incurred during 2011. CryoLife recorded transaction-related charges in the fourth quarter of 2010 and expects to record additional charges during 2011.

CryoLife will hold a teleconference call and live webcast with a slide presentation today at 10:00 a.m. Eastern Time to discuss the transaction, hosted by Steven G. Anderson, president and chief executive officer of CryoLife, Inc.

Statements made in this press release that look forward in time or that express CryoLife's or Cardiogenesis' management's beliefs, expectations or hopes are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include CryoLife's expectations regarding future annual market growth for CryoLife's products and the markets into which those products are distributed, CryoLife's growth strategy and its product pipeline. These statements also include expectations regarding PerClot, including future market growth and related opportunities, and the contemplated U.S. regulatory approval for the product by the end of 2013. Market growth and the related opportunities for distribution of CryoLife products, including PerClot, is dependent on numerous factors beyond CryoLife's control, including actions by CryoLife's competitors, development of new, competing products in the field, and customer demand. CryoLife's expectations regarding future growth in the markets in which it operates are estimates and there is no guarantee that actual market growth will correlate with CryoLife's estimates. CryoLife's growth strategy, including decisions regarding complementary products and acquisitions, is subject to overall economic conditions and CryoLife's general business needs at the time, and, as such, CryoLife's current growth strategy may not provide the expected results and is subject to change. With respect to the products in CryoLife's pipeline, there is no guarantee that the products will gain the necessary regulatory approvals when expected, if at all, and market acceptance of each of the products in the pipeline may take longer than expected. CryoLife's ability to successfully distribute PerClot is dependent upon its ability to market the product and encourage customers and distributors to purchase the product. There is no guarantee that the FDA will approve PerClot for distribution in the U.S. by the end of 2013, if at all. FDA approvals are dependent upon a number of factors, many of which are outside CryoLife's control, including successful clinical trial results, and discretionary decisions made by the FDA personnel. Any number of factors could delay clinical trial conduct and analysis and result in delays in the approval process. Risks and uncertainties related to the transaction with Cardiogenesis also include uncertainties as to the timing of the tender offer and merger, uncertainties as to how many of the Cardiogenesis shareholders will tender their stock in the offer, the risk that competing offers will be made, the possibility that various closing conditions for the transaction may not be satisfied or waived, including that a governmental entity may prohibit or delay the transaction, and the effects of disruption from the transaction making it more difficult to maintain relationships with employees, customers, business partners or governmental entities. Furthermore, CryoLife's ability to fully realize the anticipated benefits of the transaction with Cardiogenesis may be materially adversely impacted if the integration of Cardiogenesis' business with CryoLife is slower than expected or unsuccessful, or if the transaction and subsequent efforts to integrate Cardiogenesis's business with CryoLife distracts CryoLife's management team from the other facets of CryoLife's business. Also, estimates regarding the anticipated markets addressed by Cardiogenesis products may not prove to be accurate, as the assumptions are based on a variety of inputs beyond the control of CryoLife, including anticipated cardiac patient populations, and market demand for Cardiogenesis products is subject to the changing preferences of physicians and patients and will be influenced by various economic indicators. The addition of stem cells to the TMR surgical procedures may not yield significantly better clinical outcomes and even positive clinical outcomes may prove too costly to implement. CryoLife's business is also subject to a number of risks and uncertainties. These risks and uncertainties include that CryoLife is significantly dependent on its revenues from BioGlue and are subject to a variety of risks affecting this product, including that a German Patent Court has nullified CryoLife's main BioGlue patent in Germany, and if the ruling is upheld on appeal, CryoLife would be prevented from suing to prevent third parties from infringing the main BioGlue patent in Germany, CryoLife is subject to stringent domestic and foreign regulation which may impede the approval process of its tissues and products, hinder its development activities and manufacturing processes, and, in some cases, result in the recall or seizure of previously cleared or approved tissues and products, Medafor has terminated CryoLife's distribution agreement with it and CryoLife has discontinued its distribution of HemoStase, which will have a material, adverse impact on CryoLife's revenues and profitability, Medafor may continue to directly compete with CryoLife in sales of hemostatic products, and such actions may negatively impact CryoLife's sales; CryoLife's investment in Medafor has been impaired and CryoLife could in the future determine that a further impairment in the value of its investment in Medafor common stock has occurred, which could have a material, adverse impact on CryoLife's financial condition and profitability, CryoLife may not be able to readily liquidate its investment in Medafor, and if CryoLife is able to liquidate its investment, CryoLife may receive less cash than its original investment and CryoLife may receive less than the carrying value of its investment, healthcare policy changes, including recent federal legislation to reform the U.S. healthcare system, may have a material adverse effect on CryoLife, uncertainties related to patents and protection of proprietary technology may adversely affect the value of CryoLife's intellectual property, uncertainties related to patents and protection of proprietary technology for products distributed by CryoLife may adversely affect CryoLife's ability to distribute those products, the tissues CryoLife processes and CryoLife's products allegedly have caused and may in the future cause injury to patients, and CryoLife has been and may be exposed to product liability claims and additional regulatory scrutiny as a result, CryoLife is dependent on the availability of sufficient quantities of tissue from human donors, CryoLife's CryoValve SGPV post-clearance study may not provide expected results, demand for its tissues and products could decrease in the future, which could have a material adverse effect on CryoLife's business, the success of many of CryoLife's tissues and products depends upon strong relationships with physicians, consolidation in the health care industry could lead to demands for price concessions or limits or eliminate CryoLife's ability to sell to certain of its significant market segments, CryoLife's existing insurance policies may not be sufficient to cover its actual claims liability, CryoLife may be unable to obtain adequate insurance at a reasonable cost, if at all, the loss of any of CryoLife's sole-source suppliers could have an adverse effect on its revenues, financial condition, profitability, and cash flows, intense competition may affect CryoLife's ability to operate profitably, regulatory action outside of the U.S. has affected CryoLife's business in the past and may affect its business in the future, rapid technological change could cause CryoLife's services and products to become obsolete, continued fluctuation of foreign currencies relative to the U.S. Dollar could materially and adversely impact CryoLife's business, CryoLife's credit facility limits its ability to pursue significant acquisitions, key growth strategies may not generate the anticipated benefits, there are limitations on the use of CryoLife's net operating loss carryforwards, CryoLife's ability to borrow under its credit facility may be limited, CryoLife may not be successful in obtaining necessary clinical results and regulatory approvals for services and products in development, and CryoLife's new services and products may not achieve market acceptance, extensive government regulation may adversely affect CryoLife's ability to develop and market services and products, investments in new technologies and acquisitions of products or distribution rights may not be successful, if CryoLife is not successful in expanding its business activities in international markets, CryoLife may be unable to increase its revenues, CryoLife is not insured against all potential losses, and natural disasters or other catastrophes could adversely affect its business, financial condition, and profitability, and CryoLife is dependent on key personnel. These risks and uncertainties include the risk factors detailed in CryoLife's Securities and Exchange Commission filings, including its Form 10-K filing for the year ended December 31, 2010, and CryoLife's other SEC filings. If the acquisition of Cardiogenesis is successfully completed, CryoLife will also inherit certain risks and uncertainties related to Cardiogenesis' business. These risks and uncertainties include that CryoLife's ability to maintain revenues and achieve growth in sales of Cardiogenesis products and services in the future is dependent upon physician awareness of its products and services as a safe, efficacious and appropriate treatment for their patients, CryoLife may not be able to successfully market Cardiogenesis' products and services if third party reimbursement for the procedures performed with Cardiogenesis' products is not available for its health care provider customers, healthcare policy changes, including recent federal legislation to reform the U.S. healthcare system, may have a material adverse effect on Cardiogenesis' products and services, if CryoLife fails to maintain Cardiogenesis' regulatory approvals and clearances, or is unable to obtain, or experiences significant delays in obtaining, FDA clearances or approvals for its future products or product modifications, CryoLife's ability to commercially distribute and market these products could suffer, if suppliers or manufacturers with respect to Cardiogenesis products fail to comply with ongoing FDA or other foreign regulatory authority requirements, CryoLife's Cardiogenesis business may be negatively impacted, in the future, the FDA could restrict the current uses of Cardiogenesis' TMR System and thereby restrict its ability to generate revenues, CryoLife may fail to comply with international regulatory requirements with respect to Cardiogenesis' business and could be subject to regulatory delays, fines or other penalties, CryoLife will continue to purchase some of Cardiogenesis' key product components from single suppliers and the loss of these suppliers could prevent or delay shipments of its products or delay its

clinical trials or otherwise adversely affect CryoLife's Cardiogenesis business, if Cardiogenesis' independent contract manufacturers fail to timely deliver sufficient quantities of some of CryoLife's Cardiogenesis products and components in a timely manner, CryoLife's Cardiogenesis operations may be harmed, if clinical trials of Cardiogenesis' current or future product candidates do not produce results necessary to support regulatory clearance or approval in the United States or elsewhere, CryoLife will be unable to commercialize these products, if the third parties on which Cardiogenesis relies to conduct its clinical trials and to assist it with pre-clinical development do not perform as contractually required or expected, CryoLife may not be able to obtain regulatory clearance or approval for or commercialize its Cardiogenesis products, third-party distributors or CryoLife's own distributors may not effectively distribute Cardiogenesis products, the use, misuse or off-label use of CryoLife's Cardiogenesis products may harm its image in the marketplace or result in injuries that lead to product liability suits, which could be costly to CryoLife or result in FDA sanctions if CryoLife is deemed to have engaged in such promotion, CryoLife's international operations with respect to Cardiogenesis subject it to certain operating risks, which could adversely impact its net sales, results of operations and financial condition, immediately following the acquisition, Cardiogenesis' operations will be conducted at a single location that may be at risk from earthquakes or other natural disasters, third party intellectual property rights may limit the development and protection of intellectual property acquired from Cardiogenesis, which could adversely affect its value to CryoLife, Cardiogenesis has been named as a defendant in a patent infringement lawsuit and costly litigation may be necessary to protect or defend its intellectual property rights, the Cardiogenesis business relies on patent and trade secret laws, which are complex and may be difficult to enforce, CryoLife may suffer losses from product liability claims if Cardiogenesis' products cause harm to patients, in the past, Cardiogenesis has depended heavily on key personnel and the turnover of key employees and senior management following completion of the merger could harm the Cardiogenesis business, Cardiogenesis' internal controls over financial reporting may not have been effective, which could have a significant and adverse effect on CryoLife following completion of the merger. These risks and uncertainties related to Cardiogenesis's business that CryoLife will inherit also include the risk factors detailed in Cardiogenesis' Securities and Exchange Commission filings, including its Form 10-K filing for the year ended December 31, 2010, and Cardiogenesis' other SEC filings. CryoLife does not undertake to update its forward-looking statements.

RISKS AND UNCERTAINTIES FACING CRYOLIFE AND ITS BUSINESS INCLUDE THE FOLLOWING:

Statements made in this presentation that look forward in time or that express CryoLife's or Cardiogenesis' management's beliefs, expectations or hopes are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements also include expectations regarding PerClot, including future market growth and related opportunities, and the contemplated U.S. regulatory approval for the product by the end of 2013. CryoLife's business is also subject to a number of risks and uncertainties. These risks and uncertainties include that CryoLife is significantly dependent on its revenues from BioGlue and are subject to a variety of risks affecting this product, including that a German Patent Court has nullified CryoLife's main BioGlue patent in Germany, and if the ruling
